

ARCHITECTS' SKETCH OF the new Lake Villa Community Methodist Church which will be consecrated Sunday in services at 7:30 p.m. The 300-seat structure, at the corner of McKinley and Grand Ave., cost \$145,000 and is designed for further expansion. It is the second protestant Church building to have been dedicated in Lake Villa in two months.

## Lake Villa Dedicates New Methodist Chapel In Sunday Evening Service

### Chicago Bishop To Deliver First Sermons In \$145,000, 300 Seat Church Building

Growth of Lake Villa, now putting strains upon church facilities, will be relieved when the second new church building in two months is dedicated and consecrated next Sunday.

The new building is the Community Methodist Church at McKinley and Grand Aves. Bishop J. Ralph McGee, retired former bishop of the Chicago area, will preach the two Sunday morning services and the evening dedication service.

The modern house of worship was designed by William M. Cooley, A.I.A., of Park Ridge, and is the third church for the Lake Villa congregation. The former church, in use since 1880, was outgrown by the 100-year-old congregation's membership which numbers about 400 now. Construction costs of the new building were about \$145,000 and is built on a plot 300 by 800 feet. The building is designed for further expansion.

**INVITED TO ATTEND** the services are all Methodist Churches in the Rock River Conference and churches of other denominations in the lakes area.

The main consecration service will be at 7:30 p.m. Sunday with Dr. Birger Dahl, superintendent of the Chicago Northern District of the Methodist Church assisting Bishop McGee. The Rev. Gerald B. Robinson, pastor of the church, will preside.

He will receive the church officially from the architects and will turn it over to Jack Perry, chairman of the board of trustees. He in turn will present it to Bishop McGee for consecration.

**SPECIAL MUSIC** will be provided by a combined 60-voice choir of the junior, high school and adult choirs under the leadership of Mrs. Gerald Robinson. The choir will sing "Glorious Is Thy Church," Mrs. Robinson also will sing the offertory solo, "How Lovely Are Thy Dwellings." Susan Romer will accompany at the organ.

Following the service will be a reception for Bishop McGee. The committee in charge of refreshments includes Mrs. Rober Roblin, Mrs. Jos-

eph Mack and Mrs. James Connell. Others participating in the service will be William Cooley, architect, Roy Nordstrom, builder; Neil Reidel, clerk of the village of Lake Villa, and John Perry, chairman of the church board of trustees. Harry Weber will serve as head usher.

**AN OUTSTANDING** feature of the structure is a 30-foot lannon stone tower which is the church's chancel or altar and clergy section.

About 300 worshippers can be seated in the nave of the new building. This includes overflow facilities. Two 20-foot high stained glass panels flank the altar. They feature colorful symbols depicting the life of Christ in chronological order.

A large 15-foot walnut cross highlights the chancel. All chancel furnishings, designed by Cooley, are finished in walnut with rich gold inlays. Stained laminated beams contrast with the walnut furnishings and the face brick wall of the nave.

**A LARGE BASEMENT** social hall seats about 140 persons for dinner and other meetings. It also can be converted into nine classrooms by movable partitions. Adjoining is a modern kitchen featuring stainless steel equipment and birch cabinets.

A permanent kindergarten and nursery are located on the first floor in addition to church parlor, office and minister's study.

Parking for 60 cars is included on the church site which can be enlarged to incorporate sports facilities, a playground and space for outdoor social events.

On Monday at 1:30 p.m. following the consecration will be a tea for women of the congregation. Mrs. Charles W. Brashares, wife of the present Chicago area Methodist Bishop, will lecture on Methodist mission work in South America. Bishop and Mrs. Brashares recently returned from Latin America and are bringing colored slides to illustrate the lecture.

Miss Eugenia Eaton of Whittier, California, returned home Friday after spending three weeks visiting with Mrs. Adah Overton at her home on North Main Street. Mr. and Mrs. Harry Dooze of Deerfield were guests of Mrs. Overton Friday evening.

## Temperatures Drop, May Be End Of Indian Summer

The sudden drop of temperatures early this week may have signaled the end of Antioch's Indian Summer and residents can look forward to the blustery winds and frost of winter.

The cool temperatures ended a fall which is the warmest here since 1953 says Roy Kufalk, U. S. Cooperative Weather Observer. Through Wednesday of this month the first 19 days have been warmer than any since 1953.

Although temperatures on the average have been higher, precipitation has been near normal, Kufalk says. There has been 1.45 inches of precipitation so far this month.

November has been a warm month but four times so far there has been freezing weather. Tuesday night's low of 33 was eight degrees higher than the Nov. 7 low of 25 degrees, coldest this year. Lows of 31 on Nov. 6 and 10 were followed by a low of 30 on Nov. 13. However it warmed up almost immediately after the previous lows.

This cold spell may be here to stay.

## Unpaid Tax Lists Show Little Effect Of Recession

The business recession of last fall and early 1958 did not have too great an effect upon Antioch and Lake Villa residents if the delinquent tax lists of the communities are an indication. Payments of taxes usually is a bellweather of economic conditions.

"Collections have been good this year," says Guy O. Lunn, county treasurer. The list of Antioch and Lake Villa township property with delinquent taxes will appear in next week's Antioch News.

Property with taxes outstanding and with special assessments and interest due will be sold at auction at the court house beginning on Dec. 29, Lunn said. Property owners whose property is listed in the rolls published can save their property by making the payments before the sale date.

Sale of the property is dependent upon the county court fixing judgment of the correct amount of any tax paid under protest. Final judgment is to be made by Dec. 15.

## Catholic Church Holds Clothing Drive Next Week

St. Peter's Catholic Church will hold a used clothing drive during Thanksgiving week, Nov. 23-29, the Rev. Alfred J. Henderson has announced.

Anyone wishing to contribute any practical garment in wearing condition, any usable blanket or coverlet, any pair of practical shoes in good repair should bring them to the east door of St. Peter's anytime next week between the hours of 9 a.m. to 5 p.m.

Clothing collected will be distributed to needy all over the world he said.

"The need for used but still useable clothing is truly a staggering one in many parts of the world. The American high living standard and its comparative freedom from want tend to obscure the fact that millions of people in other lands live in the most abysmal poverty and deprivation." Thanksgiving Week is an appropriate time for showing our gratitude for God's many gifts to us by helping to clothe the naked of today's world," he said.

## Cooperation Meetings Begin In Local Schools

### Senior Center Idea a Success For Oldsters

Backed by the success of its first two meetings, Antioch's Senior Center for Senior Citizens will continue now with plans to grow and help develop the interests of all the area's people over 60 years of age.

First meeting on Nov. 12 was termed "highly successful" by Mrs. Thomas Pechousek, chairman of the Antioch Woman's Club committee which sponsors the club. A second meeting was held yesterday.

All senior citizens are invited to the third meeting to be held next Wednesday, Nov. 26 at 11 a.m. at the Scout House. There are no dues for membership in the club but those attending are asked to bring a sandwich. Tea, coffee and milk will be served, Mrs. Pechousek said. The next meeting will be a social with cards and games to be played. Those having birthdays in November will be honored.

The senior citizens attending the first meeting in December will hear a topic of great interest to those retired or on old-age pensions. Speaking will be Bernard Barnett, manager of the "Waukegan Social Security office to show films and explain new Social Security rulings. The Dec. 3 meeting will begin at 1 p.m.

## Santa Coming By Air Again-Private Plane

Santa Claus will arrive by air again this year but high costs and scheduling difficulties will not allow use of a helicopter, Chamber of Commerce members heard Tuesday.

The retail merchants division of the chamber met at the request of Santa Claus to set a date for his Antioch arrival. Members selected Dec. 6 as best date for local kids and for Santa's busy schedule.

Tentative plans are for the annual visitor to come in by private plane this year. He will hand out candy for the kids as in past years. His pre-Christmas talks with the kids of Antioch still have not been made final.

Merchants will decide next week if Main Street will be transformed into last year's highly successful candy cane lane. Word on the project depends upon the cooperation arranged between the Chamber and the Village.

Christmas decorating plans will be finalized at a meeting at Harold's Restaurant next Tuesday morning at 8 a.m.

## Last Second Goal Put's Our Scouts In First Place

Dick Dressel's last instant basket Sunday put Antioch's Scouts in first place in the McHenry County Basketball League.

The Antioch win, 79-76, was the first loss handed to the Algonquin team in the last three years of play in the amateur basketball league.

Dressel, 6'1" forward and a 1955 graduate of Antioch High School, clicked in the last seven seconds on a field goal and the Scouts held on for the victory.

Antioch's Al Reckers came off with high honors in the game with 23 points. Dressel's goal was the only points he made in the contest.

The line score by quarters:

|           | 1  | 2  | 3  | 4  | final |
|-----------|----|----|----|----|-------|
| Antioch   | 18 | 19 | 22 | 20 | 79    |
| Algonquin | 16 | 19 | 20 | 23 | 78    |

## Antioch Leatherneck Serving in Okinawa

Marine Pfc. Richard R. Pannier, son of Mr. and Mrs. Howard Pannier of 419 Hardin, Antioch, Ill., is serving with the Ninth Marine Regiment, Third Marine Division at Camp Sukiran, Okinawa.

## Teacher Seminars First In Plan Have All Area Units 'Think Alike'

Closer cooperation between the area grade schools and Antioch High School on the basic level—teaching—will begin soon when instructors from the schools meet.

This is the first time that such a meeting has been held to iron out the problems confronting teaching of children at all levels of the schools in the high school boundary area, says Albert Dittman, principal of the high school.

**THE FIRST MEETING**, discussing social studies and language arts teaching, will be at the high school here Dec. 1 at 4 p.m. A second meeting of mathematics and science teaching will be held at the high school at 4 p.m. Dec. 8.

The December meetings are the result of almost a year's exchange of letters and meetings of administrators of the school districts in the area, Dittman said.

The administrators also have approved cooperation in areas outside the teaching fields. The list includes:

**EXCHANGE OF SCHOOL** calendars, maintaining uniform cumulative pupil personnel records, upgrading instruction through subject matter staff meetings, utilization of special staff services between schools, sharing school building facilities, sharing transportation equipment and exchange of information relative to salary programs for staff members.

Economics and efficiencies resulting from closer cooperation between the schools and the school boards are an immediate advantage, Dittman said. Facilitated the cooperative purchase of fuel oil and milk as an easily observed advantage for the taxpayers of the districts.

**IN THE FIRST MEETING**, Carol Mapleshorpe and Jeanette Tulumello

## New Outdoor Movie Depends On Co. Board

The County Board of Supervisors will decide Dec. 9 if Antioch is to have an outdoor theatre at the corner of Grass Lake Rd. and Highway 59.

The County Zoning Board of Appeals Tuesday heard petitions for and protests against the movie enterprise and will report their decisions to the Board of Supervisors.

Seeking to build the theatre is the Lakes Theatre Corp. of Antioch which owns the Lakes Theatre in the village. Richard Meyers, manager of the Lakes, told the board that his company planned to purchase 12 acres from Peder Toft for a 400-car capacity theatre.

**ABOUT 25 RESIDENTS** of the area attended to express disapproval of a movie theatre, basing their objections on a claim of decreasing property values. One protest drew a round of applause when it was claimed outdoor movies are a cause of juvenile delinquency in Lake County.

To substantiate his claim for the need of the rezoning from agricultural to business, petitioner Toft claimed that farming was useless in the area and that he was surrounded by business properties. All three of the corners of Grass Lake Rd. and Rt. 59 are zoned for business at present. Toft presented a petition signed by adjacent property owners who okayed his proposal.

**IT WAS BROUGHT** out that the sale of the property to the Lakes Corp. is contingent upon approval of the board for rezoning.

Meyers has announced that should the County Board of Supervisors ap-

## Assessment Roll Published

The Assessment Roll of the Town of Antioch as certified by the Supervisor of Assessments appears on pages 1 to 25, Section 2 of today's issue of The Antioch News. Every resident of the Township of Antioch should make it a point to check up on the amount of his assessment.

Any property owner who objects to the amount of his valuation should file a formal complaint with the Board of Review at the Court House within ten days from the date of publication of this assessment roll.

## 5 Antioch Women Attend Art Week Show in Chicago

Five from Antioch Women's Club were on hand in Chicago at the 63rd annual exhibition of small paintings of the Palette and Chisel at an American Art week observance.

Representing Antioch were Mrs. Clarence Olson, Mrs. William Brook, Mrs. Ray Bruhn, Mrs. Anthony Stanich and Mrs. Ray Hamilton. They met with members of 36 other art, literary and music societies.

Mrs. Roy L. Newman and her art department of the Illinois Federation of Women's Clubs attended also.

### Democrats Let Mr. Kusek Down

Elsewhere in this week's Antioch News is a letter from Democrat Laurence A. Kusek, of late a candidate for the U.S. Congress from our 13th District. Mr. Kusek laments the treatment he got during the election—especially, he says, from his hometown newspapers.

Mr. Kusek was running a hopeless race to begin with and he knew it. In northwest suburban Chicagoland, we understand that only two Democrats have won any major offices since the Civil War. However Mr. Kusek believed he had a few good points to offer the voters so he presented himself as a candidate. He especially clashed with opponent Marguerite Stitt Church over federal aid to education—a real issue to many.

At a time when a man takes himself out of private life and goes before the public with his beliefs, he is entitled to be heard and justly ap-

*"A newspaper that never spoke its own mind would not be, to our notion, much satisfaction to publish or read."*

**-A Weekly Newspaper Editor**

praised. In Park Ridge, his hometown, he was hardly noticed, Mr. Kusek claims. This also may be a reason why he was hardly noticed at the polls.

But one man can not carry an entire party to victory in such an area as ours and thus when the party is weak, so also is the candidate. In Lake County, the Democrats are so weak that for them to shout it is only a whisper in the breeze. Just as it is good in business to have competition to assure survival of the fittest, so also is it good in politics to have an opposition party. No matter how strong the GOP is, it is an obligation of the Democrats to the people to present a platform and to actively compete with their political opponents.

Perhaps if there was an active party organization in the 13th District, Mr. Kusek would have been noticed by people and papers. He would be good for all of us and even the most avid Republican should admit it.

### Trevor News

(Mrs. Grace Miller, Correspondent)  
Tel. Underhill 2-3059

Mr. and Mrs. Frank Jones of Detroit, Mich., visited at the Carl Stefan home on Tuesday.

Trevor mothers served at the Wil-mot High School Parent-Teachers Association this month.

Mrs. Minnie Lubeno entertained the Willing Workers at a potluck luncheon on Thursday.

Miss Mary Sheen and Mrs. Grace Miller were luncheon guests of Mrs. Malvina Craner and Miss Lizzie Gitzlaff in Kenosha on Tuesday.

Several from this vicinity are deer-hunting in the northern part of the state.

Mr. and Mrs. William Hanneman of Elgin, Ill., were callers on the Oetting family and Mrs. Joseph Smith on Tuesday.

Mrs. Robert Marquart, daughter, Laurene, and mother, Mrs. Hook, spent Monday in Madison.

Jim Sheen and Elmer Kapheingst of Salem, were week-end guests of Don Eberle in Madison, Wis., where he is attending the University.

Several families attended the bazaar and dinner at the Salem Methodist church Saturday night.

Mr. and Mrs. Charles Oetting and Mrs. Joseph Smith called on the Holdorf and Lubkeman families on Sunday afternoon.

Jim Webb and Orson Wells were Sunday supper guests of Mrs. Birdella Schwery.

Joe Letzer of Chicago called at the Chas. Oetting home on Monday.

### MILLBURN

(November 20)

Regular services at Millburn Congregational Church Nov. 23: Sunday School and Morning Service at 10.

Thanksgiving service at Millburn Congregational church Thursday morning, Nov. 27, at 9:30 a. m.

L. H. Messersmith-attended an Advisory Board meeting of the Congregational Association at Chicago Monday.

The Devotional Study Group met Thursday morning with Mrs. Verlon Groves. The next meeting will be held at the Millburn Church Dec. 11, with Mrs. L. H. Messersmith and Mrs. Ida Truxas as hostesses.

Mr. and Mrs. Lester Lucas of

Waukegan and Mrs. Addie Lucas of Wadsworth spent Saturday evening with Mr. and Mrs. Charles Lucas.

Mr. and Mrs. Orville Hairrell, Jr., and sons of Waukegan were dinner guests at the Frank Hauser home Sunday.

Mr. and Mrs. Robert Erwin of Waukegan called at the home of Mrs. Frank Edwards Sunday afternoon.

George Butler, who has been a patient at Condell Memorial Hospital at Libertyville for several days, returned home Thursday.

The annual turkey dinner of the Millburn Masons will be held at the Masonic Temple Saturday, Nov. 22. Serving will be from 5 p. m. until 8 p. m.

Mr. and Mrs. Harold Yukel of Oak Lawn spent Tuesday at the Charles Lucas home.

Rev. and Mrs. L. H. Messersmith returned home Friday after spending a few days with Mrs. Ora Davis at Farnum, Nebr.

Mr. and Mrs. Ellis Gott, Mr. and Mrs. Leo Stanczak and sons of Waukegan, Mr. and Mrs. L. S. Bonner and Mr. and Mrs. Harold Myers and daughter, Kathy, were guests at the home of Mrs. Lyman Bonner Monday evening, celebrating her daughter Nancy's 8th birthday.

Mrs. Kenneth Young and Mrs. Roy Bonner represented the Millburn PTA at the regular Tuesday WKRS broadcast. They talked on "Using Your Library."

Mrs. Herbert Prange and daughter are spending several days with Mrs. Robert Shidler at Laurenceville, Ind.

### Good Tools Essential To Home Tree Care

NEW YORK—It takes more than good intentions to take care of even the small trees on the home property. Good pruning tools are a must and the kit required is not inconsiderable.

The reliable pruning saw is Number One on the pruning kit parade. The best pruning tool is one with teeth on only one side. Double-edge saws are more difficult to handle. In the hands of an amateur, they may cut in directions not intended.

First line of defense for fruit trees and deciduous shrubbery is said to be the hand pruner. This comes in two types—the snap cut or draw cut. You can suit yourself as to which to select since each will work efficiently, if only of good quality.

### Vision Changes

NEW YORK—At the age of 20, a person with normal vision can see an object four inches away sharply. At 42, 10 inches is the closest distance at which he can see anything sharply, and, at 52, accommodation muscles are so sluggish that 20 inches is the minimum distance for distinct vision.

"All costs have soared in recent years—especially the cost of making history."—Milford Herald-News.

"A pessimist is one who, when smelling flowers, starts looking around for the funeral."

# SOCIETY EVENTS

## Antioch O. E. S. To Install Officers Saturday Nov. 22

Antioch chapter No. 428, Order of Eastern Star, will hold open installation of officers at 8 o'clock Saturday evening, November 22, at Wesley Hall.

Mrs. Martha Hunter will install the new officers assisted by Mrs. Helen Luedtke, chaplain, Rosalind Keating, Marshal and Deborah Van Patten, organist. Members of Antioch Assembly Order of Rainbow for Girls will sing. Clarence Larson, Wayne Polsgrove and Elroy Anderson will act as escorts. David Heath will serve as color bearer and Marvin Heath will give the ode to the flag.

Ann and Kathy Louise Heath will be candle lighters and the Rev. Wallace Anderson will give the Benediction. Ann and Leslie Heath will be installed as Worthy Matron and Worthy Patron. Other officers to be installed are: associate matron, Hazel Parfit, associate patron, Harold Kleven; Rosalind Keating, secretary; Margaret Pincombe, treasurer; Josephine Kirschbaum, conductress; Marion Kleven, associate conductress; Clara Westlake, chaplain; Emil Kirschbaum, Marshal; Mabel Weber, organist; Patricia Polsgrove, Elizabeth Storch; Zella Larson, Trudy Mann and Jeanette Brown, will be installed as the five points of the star. Lillian and Carl Hattendorf will be installed as warden and sentinel, with Clarence Larson as color bearer, Mrs. Lillian Gaa, member of the Special Eligibility committee of the Grand chapter will be instructress. Following the installation refreshments will be served by the hostesses.

## Legion Auxiliary Hears Reports of Leaders At Zion District Meet

Antioch Unit No. 748 of the American Legion Auxiliary held a meeting Nov. 14 with President Carolyn Horan conducting the business session. Mrs. Nellie Hanke and Mrs. Deborah Van Patten were hostesses for entertainment and refreshments.

It was reported that seven delegates and district chairmen of the Antioch Unit attended the Tenth District meeting in Zion Wednesday, Nov. 13. Mrs. Carolyn Horan, Unit president and Mrs. Nancy Zitkus, Auxiliary Loan chairman of the district were in attendance along with the Unit delegates, Mrs. Myra Randall, Mrs. Dorothy Horan, Mrs. Hjordis Beemer, Mrs. Pearl Anderson and Mrs. Ellen Swenson. All gave reports of the district meeting.

The application for membership of Mrs. F. Appleby was read and accepted. The Antioch Unit now has more than its quota in membership.

Antioch Unit, assisted by Round Lake Unit, furnished lunch and entertainment at a party for patients at Downey Veterans' Hospital Wednesday evening, it was reported.

Next meeting of the Antioch Unit will be held Friday, Nov. 28 in the Legion Home. Plans will be made for a Christmas party to be held at the December meeting of the Unit.

## Lake Marie Residents Plan Community Bldg.

Citizens of the California Subdivision on Lake Marie probably will have a new meeting and social center next spring after plans for their new building have been approved by the county building board.

The zoning board of appeals heard no protests to a petition to grant them a special permit to build the building about 25x40 feet. Asking for the permit was Richard Gruner, a member of the California Subdivision Assn.

He cited the new building as a cultural advancement for the area and would be a non-profit undertaking.

The building would be for use of all citizens of the subdivision including children's parties, he said. At present subdivision meetings are held in either of the two taverns in the area.

## Bad Weather Doesn't Keep Folks From PTA

Bad weather did not keep more than 150 persons from attending the Antioch Grade School and Oakland School PTA meeting Monday night reports Mrs. Robert Lindblad, publicity chairman.

After a short business meeting, the parents and teachers were served pumpkin pie and coffee by the sixth grade mothers, Mrs. Robert C. Johnson, Mrs. William Mongan and Mrs. William Garrick in charge.

A ham dinner will be served at the Antioch Grade School next Saturday from 5 p. m. to 9 p. m., Mrs. Lindblad reports. Tickets are \$1.50 for adults and 75 cents for children. They may be purchased at the door.

Antioch Assembly Order of Rainbow for Girls plans to hold a reception honoring Diane Mantis, Grand Recorder of the State of Illinois at 7:30 p. m. Nov. 24th at the Masonic Temple.

THESE FOLKS bowl better than they look. They're the Economy TV team which mixed a costume party up with its bowling night and so went ahead with both of them. They are, from left, Donna Petersen, Vi Denning, Betty Schneider, Donna Jones and Myrtle Santayo. Betty Schneider won the prize for the best costume. The team—it was also.

## 51 Donations Reported To Rescue Squad

Donations to the Antioch Rescue Squad received and recorded through Oct. 8 include the following 51 firms and residents:

Lennard Fischer, Mr. and Mrs. C. F. Schulz, Fred Miller, John Meinert, Lester and Georgia Nelson, Norbert Hansen, Albert Jarnigo, Mrs. Wm. Banedt, W. C. Petty, Richard C. Lynn, W. J. Filiatreault, Phyllis McMillen O. Dudley Kennedy.

Anton Bishofberger, Joseph Kalal, John C. Hojem, Mr. and Mrs. H. L. Lasco, Henry J. Kopecky, Mrs. Manuel Goode, Albert Herman, Mrs. P. Bastian, Loyal Order of The Moose, Antioch, Ill., Mrs. H. G. Hassett, Lee Zuchowski, Harry J. Wagner.

Also James Koemoud, Isadore Golstein, and Dr. H. L. Button, George M. Horn, Earl Firchow, S. D. Anderson, M. Wiczorek, Helen M. Luedtke, Grass Lake Lumber Co., L. Ward and V. Bollin, Charles Andersen, Charles F. Trulsen.

And Elmer W. Barth, Harry W. Lindhorst, Pedersen Bros. Imp Co., Dr. R. J. Smick, Harold Fink, Mrs. Ann Flint, Harvey H. St. Cyr, Mrs. A. M. Monnier, Walter Johnson, Jos. B. Elfinger, Mrs. Alma Goddard, Wm. Haisma, Mrs. S. Steiskal, A. L. Scheur.

## Music Association Makes Changes

At the meeting of the ATHS Music Association held Tuesday night it was decided to change the meetings to once every other month. At the January meeting a vote will be taken to change the by-laws.

Mr. Kenneth Smouse gave an account of the ATHS Christmas program. He invited everyone to participate in the Messiah.

Mr. Rush discussed the ticket sales from the last concert. Over \$200 was taken in at the concert. The money will be used to help finance the ATHS band and chorus tour in March.

A program committee was appointed to provide entertainment at Music Association meetings. Paul Zeien, Margaret Aschenbrenner and George Mazzuca were appointed on the committee.

## Big Crowd Attends Salem Central HS Open House Event

A large crowd of parents and visitors attended the annual "Open House" at Central High School, Salem, Wis., last Thursday, Nov. 13.

Ernest Weidman, president of the Central Community Club, conducted a brief meeting, followed by Principal A. H. Erickson who gave an address of welcome and also discussed the objectives, curriculum, facilities, and future outlook of the high school.

Visitors were entertained with vocal selections presented by two high school choral groups under the direction of Mrs. Jane Palumbo.

After a tour of the high school building and individual conferences with teachers, parents and other visitors went to the high school cafeteria where refreshments were served.

## Missionary Conference Ends Sun. in R. Lake

Missionary convention for the First Baptist Church at Round Lake will continue through Sunday with well-traveled ministers attending.

Tomorrow night the Rev. Vernon Crouse will speak to those assembled. Rev. Crouse is from Alaska. Sunday evening at 7 p. m. the Rev. Carl Norton will speak on "How God Can Use a Man or a Church to Start a New Church."

Jack Panowski of Los Alamos, New Mexico, attended the National Plastic Exposition in Chicago this week. He also visited with his sisters Mrs. Howard Gaston and Mrs. Louis Horton and families in Antioch.

## Central High To Enroll 600 Next Year

More than 600 students are expected to enroll in Salem Central High School for the 1959-60 school year Principal A. H. Erickson disclosed at the most recent meeting of the Salem school board.

He said that 600 students would fill the school building to capacity. And he indicated that the Bong Base will affect the school district.

Erickson outlined the curriculum for the coming academic year as follows: four years of English, mathematics, social studies, science and vocational training in agriculture, home economics and business education. Two years of foreign language will be offered. Also, a reading improvement program will be given throughout the school year and summer vacation.

In commenting on the results of the Salem High School education program, Erickson said, "We feel our students have been pretty well sold on taking stronger academic subjects in science and math. A number of our students are taking more than four subjects and, in many cases a fifth subject is being taken by correspondence from the U. of Wisconsin."

"We are trying to motivate the gifted and talented students," he said.

## 71 Students in Fall Recital of Marek's School of Music

Students of Marek's Conservatory of Music of Antioch held their annual fall recital Sunday in the Antioch High School auditorium with 71 students presenting numbers.

Directing the program was Frank J. Marek, director of the music school, with George L. Polivka, assisting.

Numbers presented by the students ranged from classical pieces to polkas and jazz selections. The youngsters are students of piano, accordion, guitar, trumpet, trombone and drums.

Assisting were Walter Wier, an instructor and Judy Otterson, instructor and receptionist, of the school.

## Garden Club Women Invite Husbands To Supper, Speech

Members of the Antioch Garden Club will entertain their husbands at a pot-luck supper at the home of Mr. and Mrs. Clarence Spiering for their regular November meeting, on Nov. 24th at 6:30 p. m.

Nels J. Johnson, a well known tree expert, will speak on "The Winter Care of Shrubs and Trees". All members are urged to attend the informational program.

## 'Dad' Geibelhaus Visits Son at UI Dads Day

Donald Geibelhaus, Box 243, Antioch, Ill., visited his son, Bob, at Kappa Delta Rho, social fraternity at the University of Illinois last week-end for the campus Dad's Day activities.

Events of the week-end included the football game with Wisconsin, the Dolphin Water Show, the Varsity Men's Glee Club Concert, the University Theatre production, "Imaginary Invalid," and Dad's Day Review, "Advent Ages."

## GALATI'S RETURN FROM MICHIGAN STORE OPENING

Mr. and Mrs. Paul Galati and family, 315 Cedarwood Lane, returned this week from Hartford, Mich., where they attended the opening of a dining room operated by Sam Galati, a brother of Mr. Galati.

Lorraine Pape, who has been ill for the past month at the home of her parents Mr. and Mrs. Henry Pape, is improving.

## MOOSE TOPICS

The feather party and dance sponsored by the men of Antioch Moose Lodge was a high success, reports the Moose committee.

A group of men and women went to Waukegan Monday night, to donate blood to the Moose Lodge blood bank.

A fish fry is held every Friday night at the Moose Home, including chicken and shrimp for all Moose members and families.

## MILLBURN MASONIC LODGE TO SERVE ANNUAL TURKEY DINNER SATURDAY, NOV. 22

Millburn Masonic Lodge will hold its annual turkey dinner and bazaar Saturday evening, Nov. 22, at the Masonic Temple in Millburn. Serving will begin at 5 o'clock.

## VACATION IN ARIZONA

Mr. and Mrs. Louis Paiml and Mrs. James Van Cura left Antioch Monday for Arizona, where they expect to spend the winter.

## Car Interior Are Causes Of Injury

LOS ANGELES—The interior of today's car, with its steering wheel, door knobs, dashboard, ashtrays and other protruding parts, is a major cause of injuries during collisions.

This has been discovered in tests over a 10-year period by a research team at UCLA. Such injuries occur during secondary collisions when the car occupant is thrown against some interior component, rather than during the primary collision between the car and another object.

A frequently lethal weapon is the steering wheel column, which often functions like a rigid spear against the driver hurtled forward during the collision impact.

Engineers see changes in the next few years designed to protect the driver and passenger. Included in these changes:

A retractable or collapsible steering column. Safety belts to be worn by almost all drivers and passengers. In addition to lap belts, possibly shoulder harnesses. Padding of the interior with foam plastic or similar material to reduce puncture-type wounds. A general resigning of the car interior to eliminate dangerous protruding parts.

Even with these changes, researchers say, the deciding factor will still be the driver's attitude and behavior.

## Survey Shows Children Do Not Read Enough

NEW YORK—Young people do not do enough reading, according to a survey of editors. When asked "Do children do sufficient outside reading?" some 95 per cent of the editors queried answered "no". When asked "Does the proper kind of outside reading help a child prepare for his future?" they answered with an even more emphatic "yes"—or 98 per cent strong.

The editors of "Our Wonderful World" conducted a nation-wide check of women's page editors to determine their opinions on reading habits.

Television was mentioned by some editors as partly responsible for lack of reading. "Parents should ration TV, if necessary, to make kids read," commented one.

The Republic of India with a territorial area two-fifths as large as that of the continental United States, has a population more than twice as large.

More accidental deaths occur in the bedroom than anywhere else in the home, according to a study reported by the National Safety Council.

## IF YOU ARE A HOMEOWNER

AND WANT MORE COMPLETE PROTECTION you should know about these new low cost plans available through the Insurance Company of North America Companies that will—

1. Pay off the mortgage balance if you die.
2. Provide cash to help meet your monthly mortgage payments when you are disabled and cannot work.

If you want greater Homeowner Security and Happiness give us a call. Your inquiry will not obligate you in any way.

## Try 'Hornettes'

## She Files News' Recipes, Now Shares Own Favorite

"I always file the favorite recipes from the Antioch News. I enjoy trying out a new recipe. I also would like to share my favorite recipe."

That's what Mrs. John Wiecek of Rt. 3, box 285A, Antioch says of the Favorite Recipe Feature in the News. She will receive her choice of a six-knife steak set or a carving

set for sharing her favorite food with other readers. All Antioch News readers are invited to join in this feature and submit their favorites to: The Food Editor, Antioch News, Antioch Ill.

Here's Mrs. Wiecek's recipe for Hornettes, a filled cookie.

## HORNETTES

**1 cup Butter**  
**3 cups Sifted, all-purpose flour**  
**2 egg yolks, slightly beaten**  
**½ pint Sour cream**

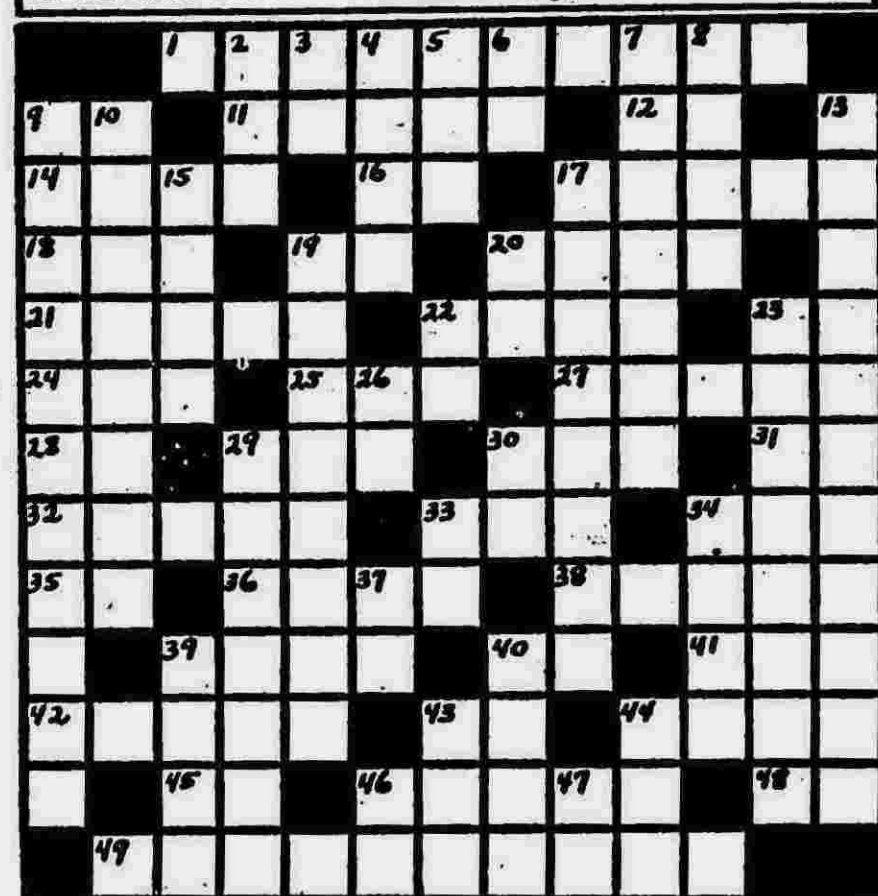

**Filling:**  
**1 cup Sugar**  
**1 teas. Cinnamon**  
**1 cup Walnuts or pecans, finely chopped**

Cut butter into flour as for pie crust. Combine egg yolks and cream; add to flour. Mix until blended. Form into a ball and cover with waxed paper. Chill for several hours or overnight.

Combine sugar, cinnamon and nuts. Divide dough into 4 equal portions. Roll one portion of dough as for pie crust. Sprinkle liberally with filling mixture. Cut dough into 16 pie shaped wedges. Roll each wedge into crescent-shaped horn by rolling from outside rim inward. Continue rolling wedge over remaining dough in order to accumulate filling on top crust which will serve as frosting and as a decorative effect.

Repeat same procedure for remaining three portions of dough. Bake on ungreased cookie sheets at 375 degrees, about 25 minutes or until delicately browned.

## Maintenance Repair Costs Rise in Building

Expenditures for maintenance and repair for all types of construction rose to a new high of \$17.7 billions in 1957, up about 4 per cent over the year before, according to the U. S. Department of Commerce.

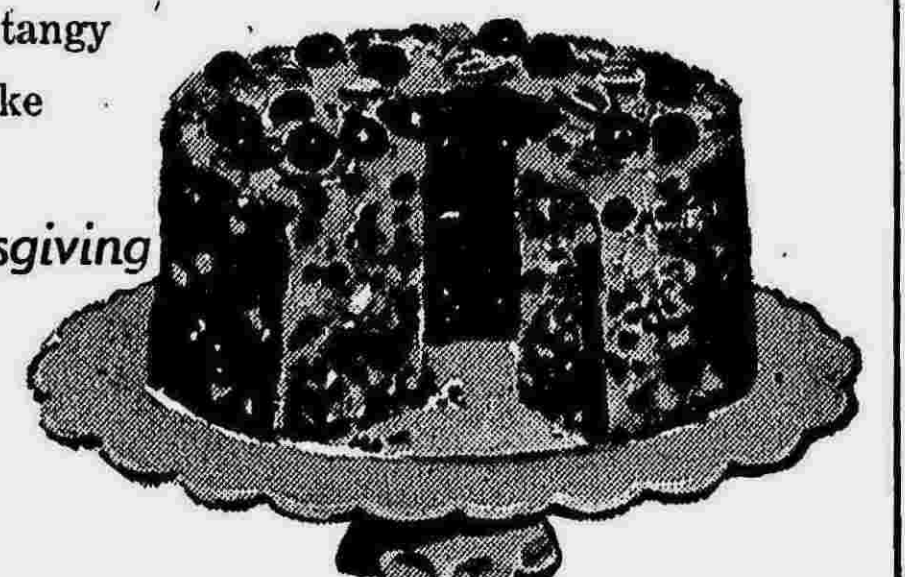

In recent years this annual bill for upkeep has been the equivalent of more than a third of the nation's outlays for new construction, thus providing an important stimulus to building.

Home owners are the biggest single factor in maintenance and repair expenditures, their outlays adding up to \$7.2 billions for 1957.

## Medicine, Religion Work Together To Combat Alcoholism

CHICAGO — Medicine and religion have joined forces in a concerted effort to stamp out alcoholism.

"With the possible exception of mental illness, no single bodily disease is receiving so much concurrent attention from medicine and religion as is alcoholism," an article in the Journal of the American Medical Association said.

This close rapport of clergymen and physicians, the article said, has brought about a beneficial interchange of attitude and action toward the alcoholic.

It is now realized that "the moral implications of alcoholism are primary effects rather than causes of the disease," the article pointed out.

Compulsive drinking "is immune to punishment and sermonizing." Alcoholism "is a disease which is best assailable under a compassionate and concerted attack by many segments of society."

One reason that alcoholism is such a difficult disease is that its exciting agent, alcohol, is a two-faced creature—a liquid that holds both good and evil, that can provide release or can enslave.

"Drink has taken five million men and women in the United States . . . and new acquisitions are going on at the rate of 200,000 a year," it said.

Attention was also called to the fact that the great majority of drinkers cannot acquire this sickness no matter how hard they try.

Alcoholism, like cancer, the article said, "cannot be implanted in simply anyone by physiological means alone."

There is no known cause of alcoholism, no specific treatment, no fool proof method of picking out victims in advance. "An alcoholic's proneness to the disease is a secret between him and the bottle," one doctor said.

## Mumps Much Easier On Youngsters

CHICAGO—There is much less likelihood of infection after exposure to mumps than to measles or chickenpox, a San Francisco physician says.

This "low order of communicability" probably accounts for the fact that so many adults escape the disease in childhood only to develop it in later years.

The best time for a person to have mumps is during childhood, when the possible complications are not very severe. In adulthood, mumps can be followed by serious—and sometimes lasting—complications.

In order to prevent the possibility of severe adult infections, it might be desirable to deliberately expose a child to the disease, thus insuring lifelong immunity, said Dr. Edward B. Shaw.

However, this introduces the potential risk of secondarily exposing adults who may then have the illness with greater severity and sometimes permanent damage.

## Life Expectancy Has Levelled Off

NEW YORK—The remarkable progress of this century in lengthening the average life-time of the American people has leveled off in recent years.

The expectation of life at birth in the United States reached a peak of 69.6 years in 1954, dipped slightly to 69.5 in 1955 and again equaled 69.6 in 1956. Mortality data now available indicate that the 1957 figure was somewhat lower than in the years immediately preceding, reflecting the effect of the influenza epidemic in the last quarter of the year.

A comparison of 1900 and 1956 mortality figures dramatizes the progress made in this century in increasing life expectancy.

## Can't Hear? Drink Has Your Tone Catcher

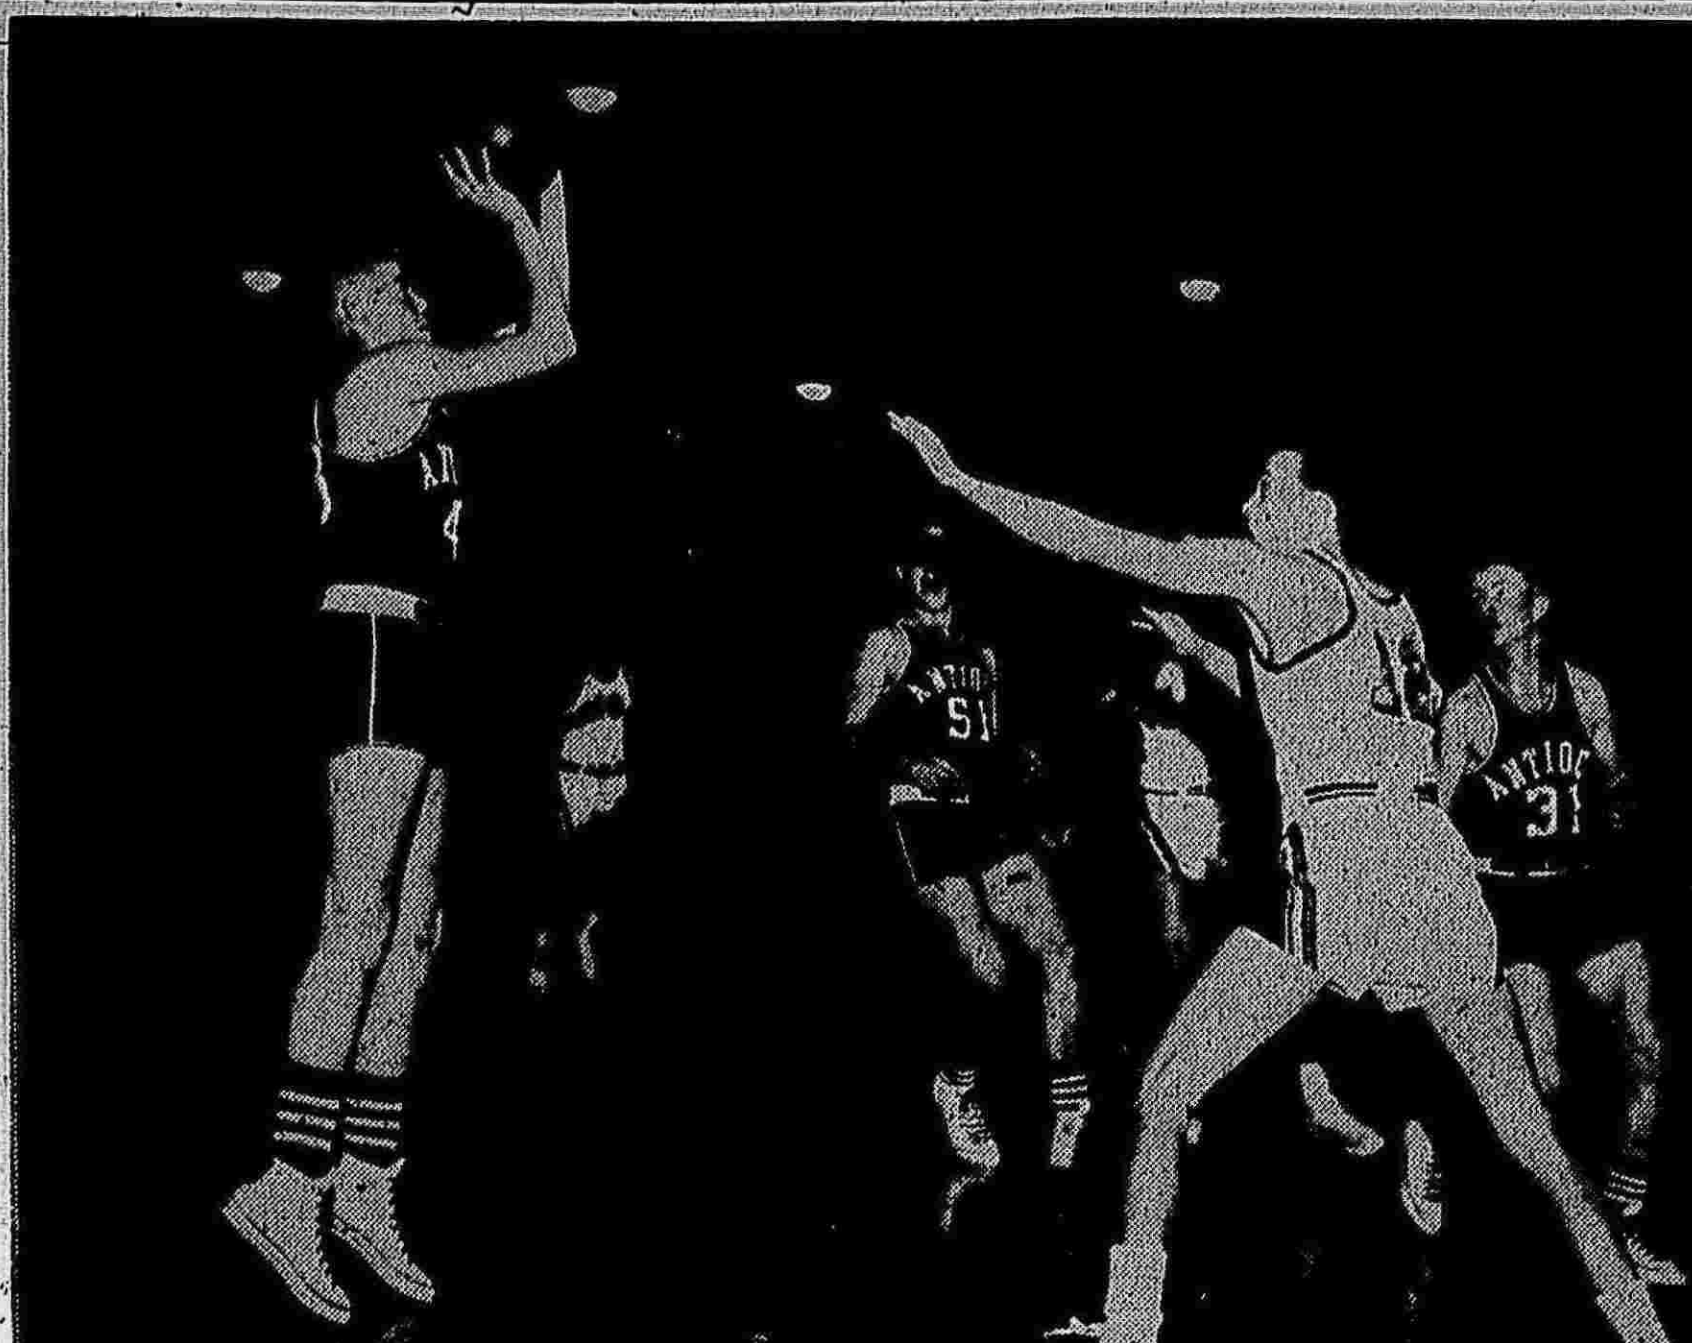

CHICAGO—If you can't hear people at cocktail parties it may be due to the alcohol you're drinking.

In discussing hearing impairment, Dr. Rollo N. Harger, Indianapolis, mentioned a study showing that a higher tone intensity is necessary for a person to perceive a given tone or to differentiate between tones after he's been drinking. The difficulty arises because of the depressant effect of alcohol on the central nervous system.

### Caretaker

WASHINGTON—The National Park Service looks after 792 pieces of property in the capital city of Washington, D. C. The public sites include the White House, Washington Monument, Lincoln Memorial, Rock Creek Park, parts of the Chesapeake and Ohio Canal, and numerous statues.

About 28,000 persons die annually in home accidents, according to the National Safety Council, while half that number die each year in work accidents.

ANTIOCH'S JERRY DAHLMAN prepares to lift the basketball for a first half shot in the cage opener at Libertyville last Saturday. He missed this one but went on to collect 16 points in the game, 14 of them in the second half. Team mates are Don Pyles (51) and Dick Gudgeon (31). Pyles and Dahlman were scoring leaders in the game, getting 36 of Antioch's 48 marks.

## Here's How To Combat Hypnosis Caused By Modern Superhighways

More superhighways mean more highway hypnosis, says the Chicago Motor Club.

Matthew C. Sielski, the club's director of safety and traffic engineering, suggests the following tips for avoiding the increasing number of accidents during holiday travels caused by staring at the miles of paved ribbons that constitute a modern highway:

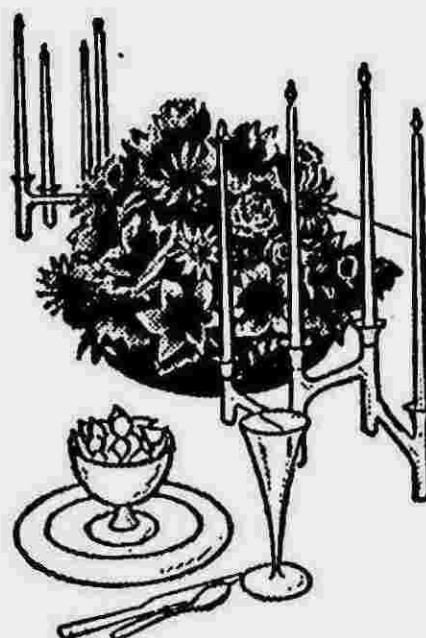

- Shift your eyes occasionally and avoid focusing them steadily in one position.
- Never eat a big meal before or during a long trip.
- Hold an imaginary conversation if you don't have a traveling companion.
- Make frequent stops for coffee, tea or a soft drink.
- Play your radio, change stations often, and sing or whistle.
- Always keep a window open to ward off drowsiness.
- Don't travel too long at the same speed; don't follow the same car too long.
- Chew gum; eat candy or a piece of fruit.
- Do anything that will stimulate your interest but not interfere with sensible driving. If nothing else work, pull off the road and take a nap.
- Dress comfortably and get a good night's sleep before a trip.

In 17th century France, the well-dressed man wore a knee-length coat with flare bottom and wide, tasseled belt. Enormous sleeves, a feathered hat atop a long, flowing wig "set off" the outfit. Today's well-dressed male favors a neat, "natural line" suit tailored for simplicity and comfort.

Fine food in ancient Rome meant disguising the natural taste with literally hundreds of spices. Modern taste emphasizes the natural flavor, savory aroma of the food itself.

## Your Thanksgiving table will look better with Flowers

A centerpiece of flowers — golden Chrysanthemums for instance — will give your table a rich, warm appearance. It will tell your friends and relatives you want their Thanksgiving to be extra nice! And a centerpiece will please you and your family, too.

Have a Chrysanthemum centerpiece on your table this Thanksgiving.

## Boating Accidents Continue To Take Heavy Annual Toll

NEW YORK—Programs to promote the safety of persons who go out in boats have achieved a considerable measure of success in recent years, but water transportation accidents still take approximately 1,500 lives.

A study of the factors involved in deaths from boating accidents among industrial policyholders of a large insurance company indicates where additional emphasis on safety is needed in view of the increasing popularity of boating.

Drownings in small boat mishaps accounted for 1,200 lives, or 4 out of 5 of all the lives lost in water transportation accidents in the United States. The others result mainly from falls, explosions, fires, asphyxiation by gas, machinery mishaps, and crushing by falling objects.

The majority of fatalities sustained in small boat mishaps involve motor-driven boats. With few exceptions the remaining fatalities involved rowboats, canoes and rafts. The records also show that nearly three-fifths of the deaths occurred among people who were out fishing. This high proportion underscores the need for greater caution among fishermen.

More than 9 out of 10 victims in water transportation accidents are males, the death toll reaching a peak at ages 20-24. The preponderance among males results both from their greater participation in recreational activities involving boats, and from their greater willingness to risk their lives.

## Says Colleges Guilty Of Poor Planning

ANN ARBOR, Mich.—Planning is the most neglected function in college administration today, a management consultant told The University of Michigan's fourth annual Institute on College Administration.

H. J. Heneman, of Cressap, McCormick & Paget, said, "It's questionable that society will indefinitely support poor planning and weak management in many of the nation's colleges."

He recommended appointment of full-time planning officers and more effective policy making by governing boards as two means of meeting this problem.

Studies conducted by his firm show that governing boards spend an average of five-sixths of their meeting time handling administrative trivia. "Governing boards may either lack the information necessary for policy making or be flooded with too many facts," he declared.

## Our Earth Has Been Warming Up For Past 40 to 50 Years

WASHINGTON—Americans who shiver in summer heat can sympathize with the residents of Azizia, a town in northwestern Libya.

On September 13, 1922, the mercury bubbled up to 136.4 degrees Fahrenheit in Azizia's shade—the highest temperature ever recorded under standard conditions.

The United States can boast of temperature almost as high. At one time or another, the thermometer has climbed above 100 in every state of the union. The highest reading was 134 degrees in Death Valley California, on July 10, 1913.

These records may soon be broken. Climatologists report the world has been getting warmer over the past 40 or 50 years, the National Geographic Society says. Scientists are not certain what is causing the warming, but it may be part of the Ice Age cycle.

During the history of the earth, the ice at the poles has advanced and retreated a number of times. At present it is retreating. As the icecaps melt, the seas are rising at the rate of one-eighth of an inch a year. Tropical plants and animals are, little by little, moving north.

In the sun, thermometers have recorded 189 degrees in Iraq. But official temperatures are recorded by ventilated thermometers in shaded spots.

Contrary to popular belief, the temperature of the air is not higher in the sun than it is in the shade. People think it's warmer because the sun heats their clothes and skin. The sun also heats the glass and mercury in the thermometer, causing it to record a higher temperature than that of the air.

## Sexes Show Equal Fear Of Dentist

NEWARK, N. J.—Are men or women "bigger sissies" in the dentist's chair?

One sex is as good—or bad—as the other, a Rutgers research study indicates. Only real difference the survey noted was that women are more honest in admitting they are nervous or afraid.

Many dentists say women make better patients but the work of Dr. William Wells, assistant professor of psychology, and two students in his research course cast doubt on the superiority of the female in the dentist's chair.

It all began when Miss Sylvia A. Hilton, a psychology major, said, "Men are bigger sissies than women. I've seen this in my experience as a dental assistant."

Dr. Wells and senior Norman Lieberman defended the male strongman stereotype and the three decided to examine Miss Hilton's hypothesis.

Fifty dentists were queried. Many said men were more tense, anxious and less cooperative patients, but a more detailed study of patient behavior disclosed that there really isn't a great deal of difference where fear of the dental chair is concerned. One sex is as bad—or as good—as the other. Only the women seem to admit it more.

## Century-Old Oak To Decorate New Building

CHICAGO—Many buildings boast beautiful oak floors or wall paneling with interesting histories, but the Prudential building, Chicago's new 41-story lakefront skyscraper, may top them all in that respect.

Managers of the structure plan to panel a room with red oak planks cut from piles which were submerged in Lake Michigan for more than 100 years.

The piles, in perfect condition, were discovered during excavation for the building. The piles have been rough sawed, kiln dried and stored, pending completion of plans for the installation.

## Disneyland Caters To Diaper Set, Too!

LOS ANGELES—There's always something new at Southern California's Disneyland, but thousands of new parents who visit the famed amusement park from all over the country hope that one idea will spread.

For the first time someone has recognized the fact that babies are people.

Disneyland has a Baby Station, located in the middle of the park. Here, without obligation to the families who drop in by the hundreds each day, complete facilities are provided for feeding, changing and otherwise caring for infant visitors to the park.

### Blind Spot

NEW YORK—We are all born with a blind spot. To get an idea of your own blind spot, mark a small dot on a piece of paper. An inch or two away, mark a cross. Close the eye, look at the dot, and move the paper slowly back and forth from the eye.

You will find that at some point the cross will disappear.

The total cost of Federal, state and local government in the last fiscal year was \$124,400,000,000. This was \$11 billion greater than in the preceding year.

## Future Scientists Need More Than Mere Interest In Rockets

CHICAGO—Tommy may know more than his science teacher does about some aspects of physics—but that doesn't mean he should be a scientist.

Through rocket clubs, high school science fairs, and outside reading, high schoolers may advance beyond their teachers in knowledge of some aspects of propulsion or electronics, according to Robert W. Eatin, instructor in physics at Illinois Institute of Technology.

"But don't be over confident about your teenager's brain power," he warned parents.

"The interest shown by hundreds of youngsters through extracurricular work in scientific fields does not make up for the fact that their science education is limited by the shortage of high school science teachers."

"In some high schools, teachers have been 'drafted' out of their fields to teach an unfamiliar science—often one in which they are not really interested. Sometimes there just aren't enough science teachers to go around."

In these schools, Tommy is forced to make a choice—either to regard science as a bore or to turn outside the high school for a scientific education.

"It's amazing how many students come to college determined to be physicists with an interest in the field gained from a home experiment in rocket propulsion, for example. In college they find that they are seriously lacking in many basic aspects of science and mathematics," he added.

## Satellite Studies Now Are Available

WASHINGTON—The first published collection of optical observations of Satellites 1957 Alpha and 1957 Beta, covering the entire lifetime of the first two artificial earth satellites, has been released by the Smithsonian Institution.

As part of the activities in connection with the International Geophysical Year, scientists compiled the observations reported by Moon-watch teams and observatories all over the world, including the information released from day to day by the U.S.S.R.

Included in the collection of 12 reports are preliminary analyses of data from which the Smithsonian scientists have obtained new values of the density of the upper atmosphere, additional information about the shape of the earth, and how atmospheric "drag" affects the motions of satellites.

Of interest to the layman as well as the scientist, the publication gives an explanation of the notation system devised to distinguish the various satellites and their component parts, a glossary of astronomical terms and symbols used in connection with the satellites, and a chart for finding a satellite's distance and elevation.

## First Doctorate Given By First "Space" School

LOS ANGELES—The first graduate of the first and only space navigation program in the United States received his Ph.D. at the University of California, Los Angeles.

Dr. Robert M. L. Baker was able to receive his degree in this vital pioneer field not through any academic crash program but through decades of slow, unpublicized classroom preparations and teamwork among the sciences that form the underpinnings of today's spectacular scientific achievements.

In 1953, UCLA worked out a program incorporating courses in meteorology, physics and geophysics leading to a doctorate degree in engineering built around aeronautics, study of space navigation.

## It's A Long Hike To Phoenix "City" Park

PHOENIX—A "city" park some 85 miles outside city limits not only is an oddity but provides some wonderful summer vacation opportunities for tourists visiting Phoenix and the Valley of the Sun.

Located in the rugged Bradshaw Mountains north of Phoenix, the site is known as Horseshoe Basin. Once a mountain-guarded hideaway for horse thieves, the area now is a refreshing recreation area maintained by the Phoenix Parks and Recreation Department.

Cottages—complete with hot running water, shower baths, electricity, furniture, silverware and dishes—provide very comfortable accommodations. Or, visitors may camp out in tenting grounds having cement floors and nearby fireplaces.

### Hardwood Popular

CHICAGO—A U. S. Bureau of Labor Statistics survey covering a recent three-month period showed hardwood floors were used in 85 per cent of the nation's new one-family dwellings. In the Northeast 90 per cent of dining rooms, 93 per cent of living rooms and 94 per cent of bedrooms were floored with hardwood, oak being most popular.

"A good sermon helps people in a couple of ways: Some rise from it greatly strengthened; others wake from it refreshed."—Rochelle News.

## Grass Lake Area News

Correspondents:

Mrs. Earl Beese—532-W1  
Mrs. Walter Johnson—532-M1

Wes Merryman of the Antioch High School football team, who was injured during the game with Lake Forest recently, is improving. Wes is the son of Mrs. Claire Merryman of Bluff Lake.

The Robert Hart family of Grass Lake recently visited their son, Bill, who is attending school at Western Illinois University. The occasion was to help celebrate Bill's 18th birthday, Nov. 8.

A shower for the bride was given for Mrs. Gloria Belke (formerly Gloria Fleider) of Cross Lake, Wis., given by her sister, Barbara Fleider of Petite Lake, and aunt, Mrs. Helen Cartlow in the family home on Highwoods drive. About fifteen neighbors, friends and relatives were present for a lovely buffet supper and the young couple received many lovely gifts.

Mr. and Mrs. Walter Johnson attended the Annual Cement Contractors' affair which was held in the Walnut Room of the Bismarck Hotel, Chicago. The dinner was in a French motif, complete with table decorations of famous French landmarks. There was a floor show and dancing also. Afterward the Johnsons and friends stopped at the Ivanhoe Restaurant for their late late snack.

Down on Grass Lake there was a lot of excitement when three men and three dogs fell out of their boat and the boat sunk. The three hunters were finally rescued by someone and brought to the home of Mr. and Mrs. Don Forbes who tried their best to warm them up with coffee and gave them clothes to wear home. Real fine neighborliness, we have to say.

The recent accident in which John Parker of Indian Point was injured, and some of the Burke family, also of Indian Point, badly shaken up, fortunately didn't have any tragic results. The Burkes are doing fine, but John is still in the hospital. Mrs. Helen Burke reports that he is in the Resurrection Hospital in Chicago and would surely enjoy cards from anyone who would care to send them.

Friends in the community wish to express their sympathy to Mrs. Sylvia Rozek of Indian Point who recently lost her mother.

## GRASS LAKE P. T. A. NEWS

At the Monday evening meeting of the Grass Lake PTA the guest speaker was Rep. William Murphy, who discussed the legislation which affects the schools in the Illinois State Legislature.

He explained the mechanics of getting a bill presented to the legislature, and to some extent discussed how the recommendations which come out of the PTA's State Convention each year, affect the legislation on schools. He covered the State Aid to schools issue, and told why it is sometimes necessary to vote against bills which may look attractive on the surface but in reality benefit only a section of the state.

He stated that he welcomed the opportunity to speak with the PTA and inform them of how these things affect them in two different ways, as a taxpayer and as a parent. Several questions were asked and answered, and everyone found this a very enlightening program.

At the business meeting there was a report given about the rummage sale which the PTA will have on Saturday, Nov. 22 in the Grass Lake Scout Home next to the school. Mrs. Fern Forbes, chairman of the project, asked again for rummage from the parents, and stated that there would be someone at the Scout House to receive rummage on Friday evening, Nov. 21, from about 7:30 p. m. to 9. The sale itself will take place between 10 a. m. and 4 p. m. on Saturday.

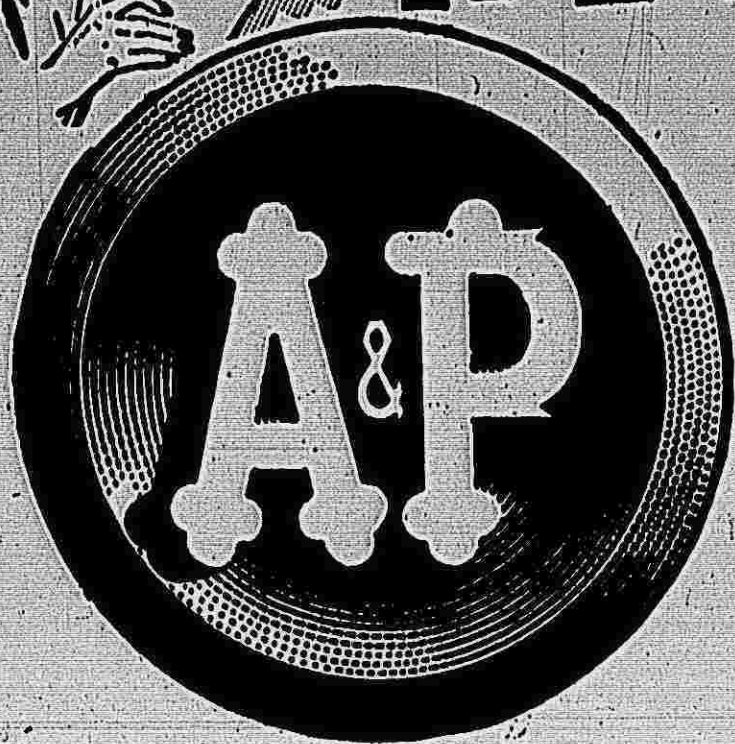

Mrs. Mildred Gaston, who is chairman of the forthcoming Penny Social in December, the Annual Christmas party of the PTA, also gave a report on the progress of her committee. She asked for donations of gifts from all parents for the games which will be held at this Dec. 7th affair to which all the family is invited. Special booths will provide fun for the kiddies.

Mrs. Wilbert Schaefer, president, adjourned the meeting. Refreshments were provided by the sixth grade mothers with Mrs. Mabel Byrne, room mother in charge.

Although Governor Bradford set aside only one day, December 13, 1821, as Thanksgiving Day, The World Book Encyclopedia reveals that three days were spent in feasting and prayer.

"Money still talks, but you have to increase the volume if you want to get the message through."—Wall Street Journal.

## Farms Produce More Wheat—But National Consumption Is Down

MINNEAPOLIS—In 1958, our American farms will produce more than twice as much wheat as half-a-century ago. But in 1958, the average consumer is eating only a little more than half as much wheat as he used to.

The big black "X" made by that soaring production line and that sagging consumption line marks the heart of our wheat surplus problem, especially glaring after this year's record crop is harvested, says the family economics bureau of a national life insurance company.

American farmers produced 883 million bushels of wheat in 1958. In 1909, an estimated 1,420 bushels.

Though U. S. population has nearly doubled in the same period, our nation of 170 million Americans will consume almost exactly the same total of wheat for food in 1958 as 90 million Americans ate in 1909—about 475 million bushels.

In 1909, U. S. farmers raised 15½ bushels of wheat per acre. In 1958, they will harvest over 26 bushels per acre, from over 20 per cent more acres.

In 1909 Americans consumed five and a quarter bushels of wheat per capita in foods. In 1958 they will consume about two and three-quarter bushels per capita in foods. Responsible is the long-term shift in our national diet towards more dairy products, eggs, green vegetables, and fruits, the report says.

Thus the average farmer's production efficiency per acre has expanded close to 70 per cent while the average American's use of wheat foods was shrinking nearly 50 per cent.

## Nation Moved by Creative Urge

LOS ANGELES—Just a decade ago, it would have been political suicide for a president of the United States to admit he enjoyed painting.

Dean Howard E. Wilson of the University of California, Los Angeles, School of Education made this statement during a talk on America's position "at the threshold of a mass movement in amateur creative experience."

"The rise of amateur painting in the United States during the present century has been phenomenal," he added.

Folk revival of the arts and handicrafts, he said, is significant in two ways. It may uncover latent talent and help sustain the artistic geniuses who live among us; and it may offset the mechanizing influence of the factory assembly line, the office routine, and the impersonality of technology.

## Sunlight Study Seeks Air Pollution Cause

LOS ANGELES—The effect of natural sunlight, an important ingredient in the Los Angeles variety of smog, is being closely scrutinized at UCLA in the battle against air pollution.

Use of sunlight is part of the effort by the Air Pollution Test Facility Project to simulate, for controlled experiments, the atmosphere over a modern city.

To make the simulation as realistic as possible, the project is being carried on outdoors.

Dominating feature of the system is the air reaction chamber, a huge inflated plastic tube, in which clean air is mixed with doses of pollutants. It resembles a tremendous elongated doughnut, the tube being some 100 feet long and 20 feet in circumference.

## Military History Hall Reflects Army Growth

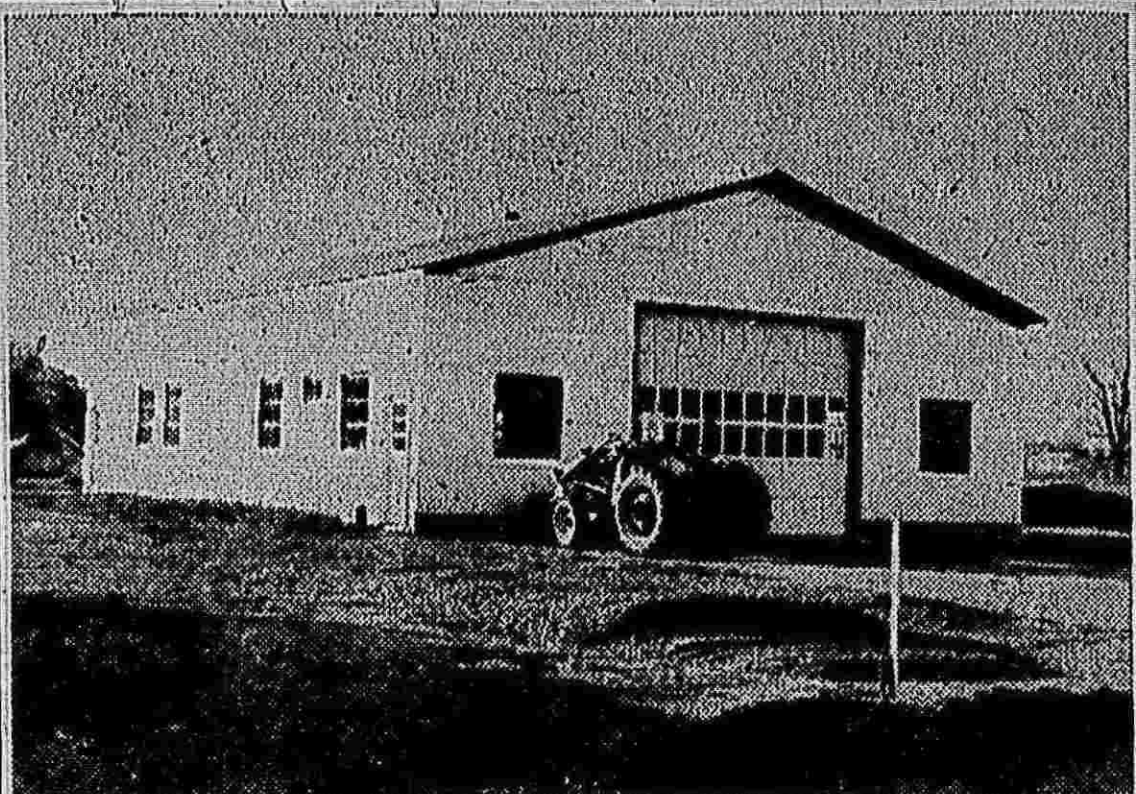

WASHINGTON—The Army's proud past is observed in the Smithsonian Institution's new Hall of Military History. Designed to attract and instruct the more than two million persons who will visit it each year, the Hall traces chronologically the development and accomplishments of the Army from 17th Century Colonial Militia to the Pentomic Army with its family of modern missile weapons.

The peacetime activities of the Army and their influence on the growth of the Nation from the explorations of Lewis, Clark, and Pike, to the present-day development of our natural resources by the Corps of Engineers are included.

### How to Read

CHICAGO—Experts advise that the ideal reading situation is a 100 watt bulb light about 20 inches from the page, with its light coming over the shoulder. Glare from wrongly placed lights, shiny walls, glass, highly glazed paper or other sources is actually more of a strain than insufficient light.

Calcutta, largest city in India and capital of the state of West Bengal, has a population of 2,982,307 and is the thirteenth largest city in the world.

THE ANTIOCH TOWNSHIP highway department recently moved into this new garage. It was built at a cost of \$8,000 and is located in Sequoit Acres subdivision, east of the Soo Line railroad tracks. The funds were provided from the new defunct Collector's office.

## Salem Central Cagers Open Season With 56-48 Victory At St. Mary's

Three hot cagers and a basketball victory: the story at Salem Central.

Forward Don Davis drilled 10 points through the hoop in the last quarter to help the Salem Central High School Falcons to a 56-48 opening game basketball victory over Burlington's St. Mary's High School at Burlington Tuesday night.

THROUGHOUT the first half of the non-conference tussle Burlington's tight 2-3 zone defense helped them gain a 30-27 halftime margin. But in the second half Davis, Ronnie Yates and Gene Schultz began hitting consistently from the outside.

By the third quarter mark Coach Dorm Gram's cagers had forged in front, 42-41.

IN THE FINAL STANZA, the Falcons hooped 14 points while St. Mary's scored only seven. Yates sank a field goal and a free throw. Schultz netted a free throw and Davis rang up 10 points on the scoreboard with two goals and six free tosses out of six attempts.

Schultz and Yates are juniors. Davis sank 10 out of 11 free throws throughout the game.

Central won the game at the free throw line, hitting 59.3 per cent. St. Marys could sink only 42.1 per cent of their gift tosses.

YATES, SCHULTZ and Davis accounted for 47 of Central's 56 points. Davis went off the court with 18 points. Raven of St. Marys led the scoring for the night with 19 markers.

The Falcons, a short team this year, did an excellent team job of rebounding and their defensive ball in the cracker-box St. Marys gym was good.

The Central "B" team nipped the

Burlington "B" team, 27-25.

Tomorrow night the Falcons open their conference season at Pewaukee. Schedule for this season is as follows:

Nov. 26 Racine Co. Aggies there.  
Dec. 5 Walworth here  
Dec. 9 Union Grove here  
Dec. 12 Open  
Dec. 19 Clinton there\*  
Jan. 6 Lake Geneva here\*  
Jan. 9 Pewaukee here\*  
Jan. 13 Arrowhead here\*  
Jan. 16 Palmyra there\*  
Jan. 20 Wilmot there  
Jan. 23 Norris here\*  
Jan. 30 Clinton here\*  
Feb. 3 Wilmot here  
Feb. 6 Walworth there\*  
Feb. 10 Racine Co. Aggies here\*  
Feb. 13 Waterford there\*  
Feb. 20 Union Grove there\*  
Feb. 24 Whitewater City here  
Feb. 28 Burlington here  
\* Denotes Southeastern Conference games.

## 'Topsy' Is Top Record at ATHS

A record called "Topsy" performed by Cozy Cole is the top record at Antioch Township High School according to the "Tom-Tom," student newspaper. "It's Only Make Believe" and "Chantilly Lace" are in second and third spot.

A record column of the paper lists four up and coming records popular with the teenagers including "Bull-whip," an instrumental done by the Cyclones. A new Elvis Presley ditty, "I Got Stung" also is tabbed as a hit record, the paper states.

## DEATH NOTICES

### Rosa Sibley

Mrs. Rosa Sibley, 85, Antioch, died of a heart attack Monday in her home at 1049 Victoria St. She was born Dec. 23, 1873 in Kenosha, and moved to Antioch 65 years ago.

Survivors are a son, Nason E. Sibley of Antioch, a brother, William Sponholtz of Yoakum, Texas, three sisters, Mrs. Louise Drake, Venice, Cal., Mrs. Charles Schinke, Springfield, Wis., and Mrs. Paul Weber of Florida; also two granddaughters, Miss Mary Lou Sibley, Morton Grove, Ill., and Mrs. Richard Carter, Dayton, Ohio, and three great-grandchildren.

She was preceded in death by her husband, John E. Sibley, on May 2, 1943.

Funeral was held Wednesday at Strang Funeral Home, Antioch, the Rev. Wallace Anderson of Antioch Methodist Church officiating. Burial was in Wilmot cemetery.

### Fred Palmer

Fred Palmer, 77, of Pikeville, Bristol Township, died Thursday, Nov. 13 at his home after a lingering illness. He was born May 15, 1882, in Walworth, Wis., and moved to Antioch, then to Lake Villa in 1938 where he was a caretaker on the Harry Gardener estate. Upon his retirement two years ago he moved to Bristol Township.

He married Alice Wells on March 16, 1916, at Waukegan.

Survivors include his widow; two brothers, Harry of Woods, Wis., and George of Chicago. Funeral was held Saturday, Nov. 15, at Strang Funeral Home, Antioch, the Rev. Gerald Robinson of Lake Villa Community Methodist Church officiating. Burial was in Angola Cemetery, Lake Villa.

### Anna Stanaitis

Mrs. Anna Stanaitis, a resident of Grass Lake Rd., near Antioch, died Monday morning at St. Luke's Hospital in Chicago after a short illness. Mr. and Mrs. Stanaitis moved to a farm in this area 15 years ago from Cicero and Mrs. Stanaitis moved to her Grass Lake home after her husband died in November, 1950.

Survivors include a daughter, Mrs. Edward Yuska and two grandsons, Millburn.

Funeral will be in the Vance Funeral Home, Cicero, Friday morning. Burial will follow at Cicero.

### Ivan O. Newell

Ivan O. Newell, 73, of Wilmot, Wis., died Thursday, Nov. 13, after six months illness, in Burlington Memorial Hospital.

Born June 21, 1885 in Kilbourne, Wis., he moved to Wilmot in 1918. He married Lulu E. Webster on Mar. 25, 1908 at Baraboo, Wis. He was a retired farmer at the time of his death.

Surviving are four daughters: Mrs. Viola Foulke, of Salem, Wis.; Mrs. Zona Satterstein, Wilmot, Wis.; Beatrice Behrens, Brighton, Colo.; Mrs. Joyce McGovern, Phoenix, Ariz.; 17 grandchildren and two great grandchildren.

He was preceded in death by his wife, Lulu in 1950 and a daughter, Gwendolyn.

Funeral was held Monday, Nov. 17, at Strang Funeral Home in Antioch, the Rev. Carroll Usher of the Wilmot Methodist Church officiating. Burial was in Wilmot Cemetery.

### Walter M. Larson

Walter M. Larson, 57, of Sunset Oaks Subdivision, Trevor, Wis., died of a heart ailment Thursday, Nov. 13, at Camp Lake Nursing Home. He was born March 29, 1901, at Florence Township, Iowa. Mr. Larson moved to Trevor in 1951.

He married Minnie Rebke in November, 1936. He was employed as a building trades laborer.

Survivors include his widow, Minnie, three sons, Gustav, Theodore and Robert; daughter Nancy, all of Trevor. Two sisters, Mrs. Anna Christy and Mrs. Margaret Fry and his mother, Mrs. Mary Larson, all of Kingsford, Mich., also survive.

Funeral was held at 3 p. m. Saturday at Strang's Funeral Home, Antioch, with the Rev. Carroll Usher of Salem Methodist Church officiating. Burial was in Liberty Cemetery.

### Frank Gayda

Frank Gayda of Chicago, father of Mrs. Charles Ackerman of Indian Point, Antioch, died suddenly Tuesday morning at the Ackerman home. The body was taken to the Becvar Funeral Home in Chicago where funeral services will be held today. Burial will be in the Resurrection Cemetery, Chicago.

## Science TV Show Sunday to Explain Cosmic Radiation

Signals from outer space-probing missiles such as the recent "moon rocket" have provided new clues in one of the most baffling scientific mysteries of all time—the nature of cosmic radiation.

"The Strange Case of the Cosmic Rays," a Bell System Science Series TV program explaining how scientists have spent a half-century tracking down the "unearthly" rays that constantly bombard us like invisible bullets, will be seen again in an NBC network telecast Sunday, Nov. 23.

The one-hour show will be seen here on WNBQ, Channel 5, at 5:00 p.m.

PRODUCED FOR PRESENTATION early in the International Geophysical Year, an 18-month period when scientists are cooperating in world-wide experiments in fields of pure science, "The Strange Case of the Cosmic Rays" is being repeated at a time when cosmic ray discoveries are making scientific news headlines.

In the TV program, Producer-Director Frank Capra has pictured cosmic ray research as a detective story of universal scope. The "crime" is the dissipation of an electric charge by an unknown factor—an unidentified radiation from outer space.

THIS RADIATION is cast in role of the culprit that scientists all over the world are trying to locate, identify, and "fingerprint."

Actors Richard Carlson and Dr. Frank Baxter star in the Science Series show as they present the story of cosmic rays to a board of judges trying to select the best detective story of the first half of the 20th Century.

The judges are three master detective story writers, Edgar Allan Poe, Charles Dickens and Feodor Dostoevski, played by puppets created by Bill and Cora Baird.

The program, in 16 mm color, also is available without charge to schools and other interested groups from Illinois Bell Telephone Company.

In all probability 1958 will show the first decrease in births in Illinois since 1947. The number probably will still be 100,000 more than in any year prior to 1942.

## My Neighbors

"Figure it out—if the union shared their profits we'd be making \$40.00 an hour on this job!"

Middle age is the time of life when your idea of getting ahead is just to stay even.—Farmington Bugle.

When a man says that he sees eye to eye with his wife, it means that his vision has been corrected.—The Woodhull Dispatch.

## New Outdoor Movie...

(Continued from page 1)

that the exits would not be a hazard to traffic or the residents as he plans both on Grass Lake Rd., the least traveled of the highways. Meyers also said he plans first grade pictures at the new movie establishment "the same as we are playing at the Lakes."

## Don't Buy Any Tire Until You See

Joe & Don's Texaco

## TIRE CLOSEOUT

of Miller and Dunlop Brands

All these new tires must go to make room for a new tire brand we carry. Check this list... we have your size at the lowest price in this area.

6.70 x 15 4 ply **11.95**

6.70 x 15, 6 ply, \$16.95 •

7.60 x 15, 4 ply, \$22.95 • 7.10 x 15, \$19.95

Sorry, No Trade-Ins

This is a bona-fide closeout and these prices are shaved to the core. We need the space.

# 3 GAMES OPEN CAGE SEASON

Friday:

## Sequoits Hope To Beat 'Jinx' Team In Opener

### Dundee Squad Has Good Shooting Club - - Again

If students at Antioch High School this week saw Coach Larry Leon going around ducking under ladders, deliberately making black cats walk in front of him and constantly spilling salt at lunch, there was a reason for it.

He's trying to beat jinxes. That's what he'll be trying to do tomorrow night in the gymnasium as his Sequoit basketball team opens its home cage season against Dundee's Cardinals.

In the last three years, Leon says, the Dundee squad has managed to pull close games out of the fire and go on to win.

"It definitely is our jinx team," the coach laments.

This year Leon will have a team of eager but inexperienced cagers facing a team with two real good returnees. But Antioch's five has the benefit of a game this year, last week's losing effort at Libertyville, while the Cardinals will be opening their season.

Coach Leon hopes a year makes a lot of difference for both clubs.

"I haven't had a chance to scout the Dundee team," Leon said but he knows the talents of Coach Gene DeLauci who has led the invaders for many years. He stresses shooting and his clubs always have been top scorers. This week the Sequoits have been practicing defense and trying to improve their all-important rebounding abilities.

In top form will be Don Pyles who proved to be a good scorer in his own right last week with 20 points at Libertyville. The scoring ace also showed he is a good defenseman in guarding well the Wildcats' Bill Johns. His assignment probably will be George Struck or Ned Rolston, only veterans of the Cardinal club. Gametime is 7 p. m. in the Antioch gym with a preliminary between the frosh-soph teams of the two schools. Varsity action begins 20 minutes after the opening tilt.

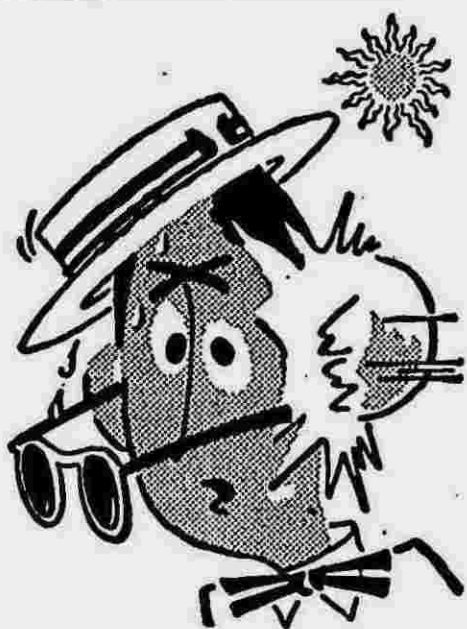

### When Bucks Don't Get A Buck, Willett Will

The bucks didn't get a buck . . . or a doe or anything.

But Bill Willett of Antioch did get a 6-point buck at Grivettes, Wis. The Bucks (Dave and Bruno of Loon Lake) could not score on the same trip.

The Pilgrims at the first Thanksgiving probably thought such a celebration would be a new experience for their ninety Indian guests. However, according to research experts with The World Book Encyclopedia, many Indian tribes along the eastern seaboard celebrated a harvest festival called the "Green corn dance."

The press of the Republic of India includes 6,570 different newspapers and periodicals. Eighty-one of the country's 476 newspapers are printed in English.

Time to think about winter!

Don't let Winter catch you by surprise! Call us today—we'll help you prepare your home for perfect heating comfort this Winter.

This is our job in this competitive oil industry. We know you will be pleased with the service we give.

## BOWLING

### Wednesday Nite Businessmen

November 5

George's Bar had high team series with games of 914-894-796-2598. Bob Bartz was high individual scorer, with games of 185-200-222-607 total, closely followed by Val Nicpon, who bowled games of 188-228-193 for a total of 605.

McHenry Ready-Mix won two games from Bill's Service.

Ted's Radio & TV Repair won two games from Lasco's Honeydippers.

Decker's Tavern won two games from Weber Duck Farm.

Pickard China won two games from Badger Auto.

Ken's Willow Farm Prod. won two games from Lahti Oil Co.

George's Bar beat Gaston Printing all three games.

### Thursday Business Men

November 6

Salem King Pins had high team series with games of 871-831-801-2503 total.

High individual series went to D. Richards, who bowled 203-188-189-577 total.

Dick's Tree Service beat Murrie's Standard Service all three games.

Wertz Well Drillers beat Merry-Go-Round Bakery and tied 1.

Jack's Town & Country won two games from King's Drugs.

Truax Trucking won two games from Carey Electric.

Erich's Auto Repair won two from Raylenicks.

Salem King Pins won two games from Lake Villa Lumber.

### Moose Mixed League

Sunday, November 9

Moose Tales had high team series, with games of 653-734-730-2119.

Their 734 game was high.

For the men, P. Matteoni was high individual scorer, bowling 154-224-179-557. For the ladies, Eileen Kosar bowled 190-140-151-481.

Moose Tales beat The Ends all three games.

Moose Hoofs beat Rusty Four all three games.

Blue Moose beat Antlers all three games.

Gutter Dusters won two games from Mitey Mites.

Moose Tops won two games from Odd Moose.

Ten Pins won two games from Big Moose.

### Ten Pin Topplers

Tuesday, November 11

Old Orchard Inn had high team series, with games of 780-689-751-2230 total.

Evelyn Erickson was high individual scorer, bowling games of 178-150-176-502 total.

Gibbs & Jensen (2212) won all three games from Lakes Co. (2054).

Salem Country Club (2199) beat Tuttle Mink (2084) all three games.

The Van Patters (1951) beat Sex-a-uer Realtor (1729) all three games.

Old Orchard Inn (2230) won two games from Joe & Helen's (2028).

Art's Paint Store (2109) won two from Hazelman's (2038).

George's Bar (1802) won two games from Adolph's (1737).

### Major Gutter Ball Girls

Tuesday, Nov. 11

Wally's Channel Inn had high team series with games of 659-764-770-2193.

On the women's honor roll, D. Dittmer was first with games of 141-209-180-530; second A. Holm, 156-147-203-506; and third, I. Donovan, 165-182-154-501.

Fortmann's Fuel Oil won two games from La Plant's Masonry.

Taylor's Shoes beat Cox's Corner all three games.

Meinersmann's Insurance beat Antioch Launderette all three games.

Wally's Channel Inn won two games from John's River Inn.

Bill's Service Station won two games from State Bank.

Laursen & Blackman won two games from Pedersen's Bakery.

### Wednesday Nite Businessmen

November 12

Decker's Tav. had high team series (continued on page 12)

Tonight:

## Doubleheader Shows Good, Ho-Hum Ball

### KC Stars Meet Scouts In 'Contest Of Skills' Feature

Local basketball season begins with a flourish this weekend with fans seeing three types of the game to be played in two nights.

Tonight in the Antioch High School gym there'll be basketball played by hesitation followed by basketball played for demonstration. Friday night the high school cagers will show basketball in desperation as they open their home season.

The big show tonight will start at 7 p. m. when the Antioch Faculty meets the Antioch Businessmen in a revenge battle. This game is the entire season for both clubs which need the rest afterwards. The Businessmen won last year.

He will get questionable help from 10 other stars.

Probable starting lineups:

Kansas City Stars

Warner Sanders, 6'5½" F

Larry Washington, 6'3½" F

Marvin Roberts 6'0" C

Mel Price, 6'1½" G

Vernon McNeal, 6'1½" G

Antioch Scouts

Jack Progenzer, 6'3" F

Dick Dressel, 6'1" F

Bill Baird, 6'4" F

Frank Balistreri, 5'11" G

Al Reckers 6' G

Preliminary game lineups (subject to constant change):

Businessmen

Bruno Manzardo, 5'5" F

Gene Barth, 5'11" F

Ed (Cubbie) Stanich, 6'2" F

Jack (VP) Fields, 5'10" G

Jim (Speedy) Fields, 5'9" G

Faculty

Bob Walther F

Bill (Rookie) Perich F

Roy (Goose) Nelson F

Ward (Baldy) Lear G

Bill Seeman G

It has been rumored that the faculty is being given odds of 1½ to 1¾ due to an extra practice session they have assembled for because of their proximity to the basketball floor. Some of the businessmen have not seen each other since last year.

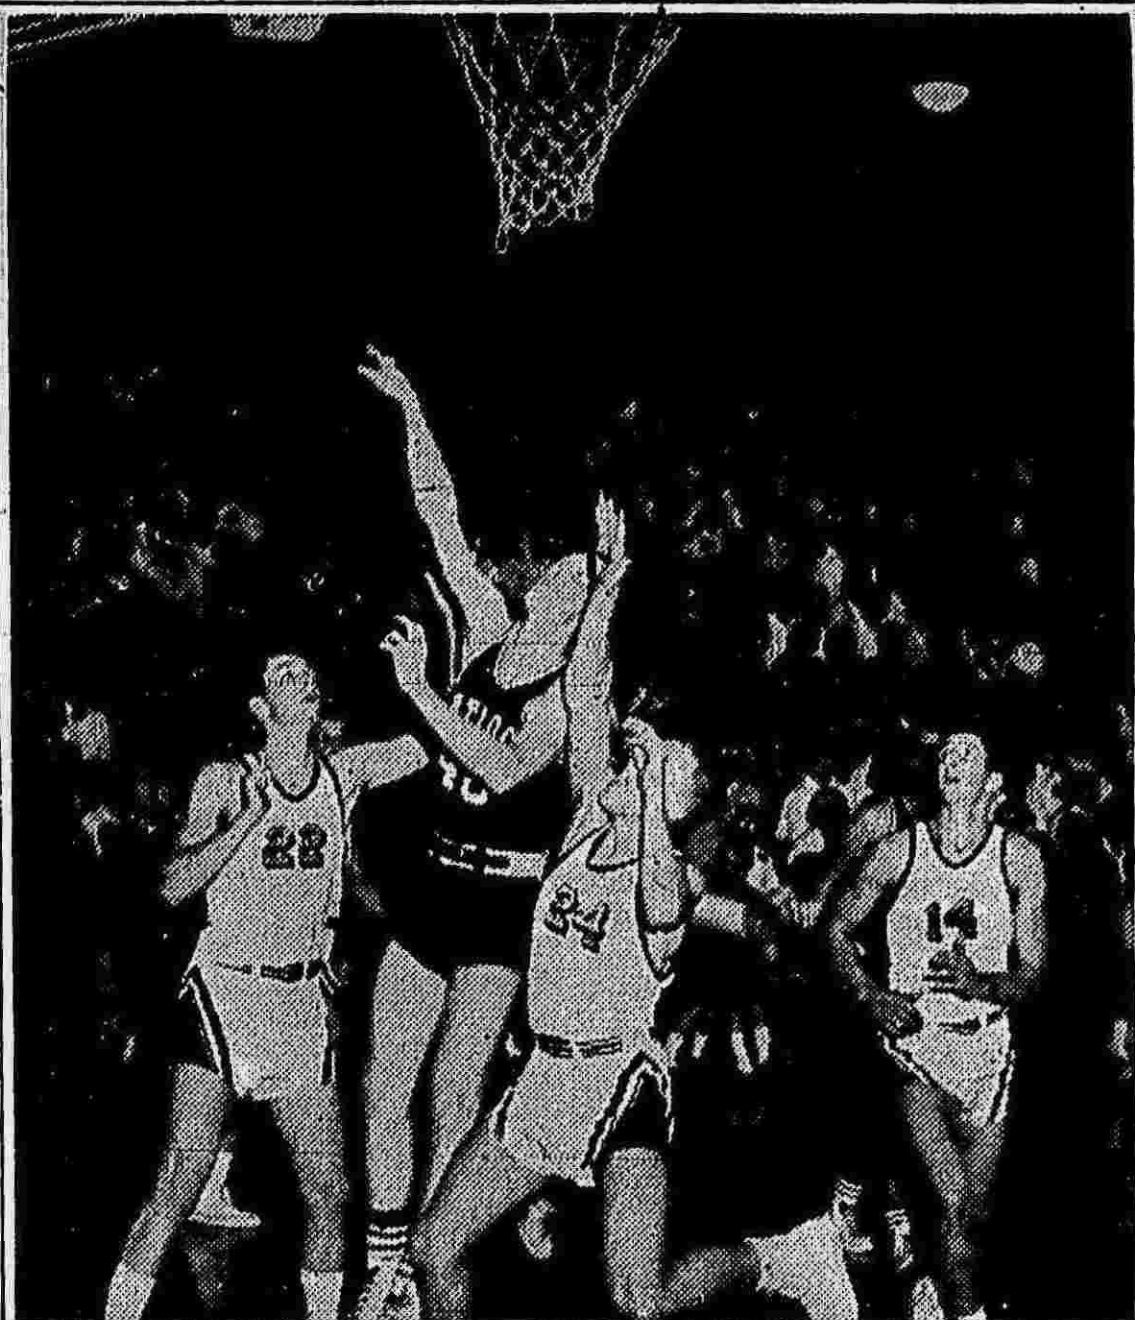

Proceeds from the two battles will go for the purchase of a movie camera for the Antioch High School sports department. Coach Larry Leon, sponsor of the "A" club says some seats still remain for the show and may be purchased at the door for \$1 for adults, 60c for kids.

The feature attraction, fans will see a lot of 6' 6" center Marvin Roberts and an excellent hook shot, and Mel Price who brings one of the best set shots in basketball to the local gym. Plays for them will be set up by Vern McNeal, tricky former great for Tennessee A & I University.

ALTHOUGH THE STARS claim Kansas City as a playing base, most of the members are from the Chicago area. They are coaches and teachers in Chicago schools. Coach of the team is Clarence "Dad" Cash, billed as a great tactical expert and strategist.

In the opener, the fans will see an exhibition of how basketball should not be played. The Businessmen (1-0 last year) will be led by Bruno (the bad bear) Manzardo who plays all positions with the same ability. He is only 5'5" but his aggressive play makes him a dangerous opponent.

The Faculty (0-1 last year) will be led by Bob (by golly) Walther, head coach at Antioch High School.

ANTIOCH MISSED this field goal as it was doing all night against Libertyville's Wildcats in the basketball opener for both teams. Three 'Cats including star Bill Johns (14) attempt to stop the play made by Antioch's Bob Martin. The Sequoits were more fortunate on free throws as they amassed a 66 per cent average.

## Coach 'Pleased' With Play In 54-48 Loss

### 'Cats' Had To Press To Win; Sequoits Show Cage Promise

Yes, Antioch lost its opening game last Saturday but Coach Larry Leon found what he was looking for. His Sequoits have the makings of a good team.

Although Libertyville's Wildcats came out ahead in the 54-48 battle on their own floor, they had to produce a 22 point last period spree to do it. The Antioch Indians came up with fair speed, a defense which shows promise and lacked only top-flight shooting.

Going into the opener, Coach Leon frankly didn't know what he had this year. None of his players had had much experience the previous year and they were meeting a team with three veterans.

"I was pleased," Leon said.

And pleased he might be with two tribe players leading all scoring. Football powerhouse Don Pyles demonstrated his natural athletic abilities on the court by taking all shooting honors with 20 points. Teammate Jerry Dahlman clicked with 16 points which was one better than Libertyville star Bill Johns. Pyles also had the task of guarding Johns, who placed third in Illinois prep high jumps last year. Leon was pleased with Pyles, too.

Team totals showed the Sequoits leading their more experienced opponents at the free throw line with 16 of 24 shots good for a 66.7 per cent. The 'Cats could manage only 50 per cent. In other totals, Libertyville had a 39.6 percent field goal average to Antioch's weak 28.6 per cent. Rebounding was weak also with only 28 snared by the Sequoits. The 'Cats got 43.

But the game gave Leon a good look at his crew under real fire and the game will give them a full week's head start over other conference quints in playing for real.

## Achievement Day For 4-H Clubs Friday At Gurnee

Lake County's 4-H club members will be given special honors and recognition on Nov. 21, at the annual county 4-H Achievement Day program.

Farm and Home Advisers Ray T. Nicholas and Helen Volk saw that a special program has been planned to give recognition to the county's outstanding 4-H boys and girls. It will start at 8 p.m. in the Warren Township High School, Gurnee. The public is invited to be present.

County extension advisers will review project work during the evening's program and report on other activities of the 4-H Clubs during the year. They give special recognition to county outstanding and project honor members.

A special feature of the program will be a color slide presentation of the 1958 district 4-H club camp and of some county activities. The pictures will be narrated by Ted Mancke, Janet Keisler, Ruth Ann Meuser, and Thomas Ernstmeier.

Refreshments will be served at the conclusion of the meeting.

Parents also will get public recognition for the things they have done to help their children do better work in their 4-H activities and projects. Local volunteer club leaders will also come in for their share of the honors.

The advisers say that Lake County has 13 agricultural 4-H Clubs with 391 members and 54 home economics 4-H Clubs with 863 members. All will be represented in the program.

## Letters to The Editor

To the Editors:

I want to express my thanks to you for your consideration of my candidacy for Congress during the past campaign. I appreciate this very much. You might be interested in knowing that my home town newspapers (The Park Ridge papers) are so partisan that they didn't even want to recognize that there might be a Democratic candidate for Congress from the town. And, surprisingly, some of these same people look down their nose at the one-party system that exists in the South.

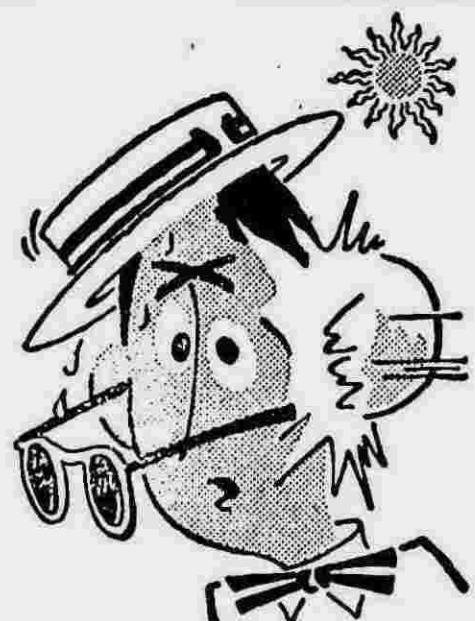

One of my main thoughts as I entered the campaign was to do what I could to re-develop a two-party system in the 13th Congressional District. The existence of a Democracy depends, I feel, on the existence of a two-party system. It is my hope that my campaign contributed to this cause.

The numerous friends, and I consider you among them, that I have made during this campaign more than compensate me for the time, money and effort involved.

Laurence A. Kusek  
Park Ridge

Thanksgiving Day in Canada is not strictly a legal holiday. According to The World Book Encyclopedia, Thanksgiving depends each year on a special Government proclamation.

According to The World Book Encyclopedia's research department, the average American eats about six pounds of turkey a year. Sixty per cent is eaten at Thanksgiving and Christmas. You're proving the statistics if you eat one and four-fifths pounds of meat at Thanksgiving and the same amount at Christmas.

Time to think  
about winter!

• Don't let Winter catch you by surprise! Call us today—we'll help you prepare your home for perfect heating comfort this Winter.

This is our job in this competitive oil industry. We know you will be pleased with the service we give.

ONE OF THE FIRST to get his deer in the three-day season in the Ogle County area was Antioch's Carl Karrasch of Venetian Drive. The young buck, brought down with a single shotgun slug, dressed out at 65 pounds. Karrasch and Leo Fox of Antioch who also got a deer in the hunt, were among the first to bring in their game. More than 425 animals were shot during the three days in Ogle County alone, Karrasch says. (Antioch Photo Service)

## Two Area Entries At Big Live Stock Show

Two area entries have been received for the International Live Stock Exposition and Horse Show at Chicago Nov. 28 to Dec. 6.

Crab Tree Farm near Lake Bluff and managed by Jim Henderson will

show nine Yorkshire hogs in the fat and carcass classes and S. J. O'Bryan of Lake Villa will show four purebred Shorthorns and a steer in the carcass events.

Thirteen horse shows are scheduled during the nine-day fair. Arthur Godfrey of TV and radio fame, will be the star of the show.

## Pure Milk Assn. Lists New Prices For Chicago Market Milk

Producers delivering milk to the Chicago market in October will receive a blended price of \$3.57 per cwt. of 3.5 per cent butterfat test milk delivered to buyers' plants within the 55- to 70-mile zone, according to Harry L. Edwards, Director of Sales for Pure Milk Association.

The butterfat differential is 7 cents per point.

The blended price announced by the Administrator of Federal Order 41 which governs milk sales in the marketing area was \$3.51 per cwt. To this price was added 6 cents per cwt. on all milk, the result of an extra premium on Class 1 milk negotiated by Pure Milk Association in February of this year.

The October price is 19 cents under the superpool blended price of October 1957. The drop is due to a combination of factors, principal among them being the cut in support levels put in effect by the Secretary of Agriculture in April of this year.

The Market Administrator's figures show over 35 million pounds more milk on the market in October 1958 than produced in the same month a year ago. An increase of 3 per cent in Class 1 and 2 sales prevented a further decline in price.

## Wilmot

Mrs. Herman Frank, Correspondent  
Tel. Underhill 2-2752

Lawrence Davis, Nevada City, Calif., called on Mr. and Mrs. Herman Frank. It had been twenty years since they have seen him.

## How Big A Turkey? Here's Chart With Yield Per Pound

For homemakers deciding how large a Thanksgiving turkey to buy, the University of Illinois Consumer Service offers this table of weight versus yield of cooked meat.

| Hens (competitively quoted 39c to 43c per pound) |                        |
|--|------------------------|
| Ready to cook weight                             | Yield of cooked turkey |
| 8 1/2 to 10 lbs.                                 | 3 to 4 lbs.            |
| 10 to 12 lbs.                                    | 5 to 6 lbs.            |
| 14 to 16 lbs.                                    | 7 1/2 to 8 1/2 lbs.    |
| 17 1/2 to 19 lbs.                                | 9 1/2 to 10 1/2 lbs.   |
| Toms (competitively quoted 35c to 39c per pound) |                        |
| Ready to cook weight                             | Yield of cooked turkey |
| 15 1/2 to 17 1/2 lbs.                            | 8 to 9 lbs.            |
| 19 1/2 to 21 lbs.                                | 10 1/2 to 11 1/2 lbs.  |
| 23 to 25 lbs.                                    | 13 to 14 lbs.          |
| 27 to 29 lbs.                                    | 15 1/2 to 16 1/2 lbs.  |

## Poultry, Ham Prices Down This Weekend

During this final full week before Thanksgiving, retail promotions and prices for traditional poultry and hams are pretty well fixed. Prices will be low, with few if any changes between now and the holiday.

This is significant for the market week ending Nov. 22. Holiday competitive pressures hold beef prices down despite slight increases at wholesale. Pork prices also drift lower seasonally.

The University of Illinois consumer service, in its weekly food survey, says it is possible for consumers to indulge in beef and pork value items this week with assurance that chicken, turkey and ham bargains will be available during the three days immediately before Thanksgiving—at current low costs. "Better buy beef" might be the slogan for those seeking menu variety.

As a matter of fact, one must question how low meat prices can get before meat departments operate at a loss. Consensus turkey quotes range 39-43c for hens, and 35-39 for Toms of all weights. Fryers can be found at 29c but generally quote along with stewing hens at 39c. Roasters, capons, caponettes, ducks and geese are plentiful and competitively priced, the latter ranging to 59c. Rounding out the poultry picture, large grade-A eggs halted supply inspired increases, and this week are steady at 57-59c. But medium sizes started to increase abruptly from a low of 39c.

## Top HS Bandsman Invited To Clinic

High school band directors from the northern Illinois area have been invited to send their top musicians to a Reading Band Clinic at Northern Illinois University on Saturday, November 22, according to an announcement from Dr. Merton Utgaard, director of NIU bands. The event is sponsored by the music department of the university.

Bruce Houseknecht, director of bands, Joliet Township High School, will serve as guest clinician for this event, Utgaard said. The select band will be made up of 70 outstanding high school students from the northern Illinois areas served by the university.

Application blanks have been sent to high school band directors and advanced registrations were requested by Friday, November 8. The event has been approved by the Illinois High School Association Dr. Utgaard announced.

As a part of the program, Mr. Houseknecht will use not only a select number of outstanding works from "older" publications but also the newest publications provided by the publishers of all classes of band literature.

## Briton Wants Pen-Pals From News Readers

A Scotsman now living in London believes correspondence between Antioch and British youngsters will do much to relieve world problems. He has asked the Antioch News to help him form an Anglo-American Pen Club.

During World War II, H. Henry was a radio operator in the British Merchant Navy and visited America many times. He was impressed by the hospitality, he said, and since he now has much spare time he feels he can help bring young people of the two countries together.

Purpose of the Anglo-American Pen Club is to exchange ideas, magazines and to get to know each other better, Henry says.

"I already have a long list of young Britons who are eager to make pen friends in America but my difficulty is putting them in touch with young Americans of similar interests," Henry writes.

Those who wish to enter such a correspondence club should write: Mr. H. Henry, 38 Crawford Street, London, W.1., England.

"Some folks take up religion as a kind of insurance against hell—and then are not willing to pay the premium."—West Pike News.

## Bowling

(continued from page 9)

ies with games of 807-889-871—2587. Val Nicpon was high individual scorer, having games of 202-182-201 for a total of 585.

George's Bar won two games from Weber Duck Farm. Bill's Service beat Lahti Oil all three games.

Ted's Radio & TV won two games from McHenry Ready-Mix. Decker's Tavern beat Pickard China all three games.

## Local Grocer Tells IGA Owners How To Run Good Bakery Depts.

IGA grocers all over the country this week are rearranging their bakery counters after the advice by Gardner Mallory, owner of the Antioch IGA Foodliner, was carried to them by their wholesalers.

Mallory was invited to speak to a nationwide conference of IGA wholesalers at Chicago last week on the basis of bakery sales at his store. He sells more bakery goods per total volume of food sales than any other IGA store in the country. And last month he was given an award for the most sales per square foot of floor space than any other store in Illinois.

Secret of Mallory's success has been his display of bakery goods in his store at Rte. 59 and 173, he says more sales are made when the displays are large enough and follow promotional events outlined by suppliers, he added.

As proof of his timely, proper and highly successful displays, he points with pride to the record-breaking sale of 15,000 hamburger and hot dog buns in the three day Labor Day weekend. This is a sales mark which puts him at the top in the nationwide IGA system.

### Coffee Conversations To Mark Week at NIU

"Coffee Conversations" will highlight National Education Week at Northern Illinois University. Sponsored by Kappa Delta Pi, honorary education fraternity, the series of informal discussions around the coffee pot will cover "Education and Survival," "The Teacher" and "The Curriculum." Students and faculty members will participate in these discussions.

Eugene O'Neill's comedy, "Ah Wilderness," will be presented by the speech department at Northern Illinois University at 8 p. m. Thursday and Friday.

### GRASS LAKE SCOUT NEWS

An impressive program marked the fly-up ceremonies for Girl Scout Troop 6, on Friday, Nov. 14, in the Grass Lake School. Mrs. Marie Nemec, who helped the Brownies through their tenderfoot requirements pinned on the wings. Members were then escorted across a bridge which represented crossing over from Brownies to Girl Scouts by three eighth grade girl scouts from Troop 6, Lynn Yancey, Betty McGrath, and Cynthia Brenna.

Mrs. Belle Hribar, leader of Troop 6, welcomed them and presented them with their girl scout pin which she told them to wear proudly. The girls all repeated their promise and lighted candles to represent each girl scout law.

The girls who flew up were: Dolores Anderson, Leslie Beese, Virginia Gudgeon, Christine Kersten, Sheryl Meyer, Nancy McGrath, Karen Mueller, Colleen Mulhern, and Barbara Reband. Another girl, Sharon Wells, was also accepted into Troop 6 as a new Scout. Singing for the whole program was directed by Mrs. Florence Yancey.

Mrs. Hribar then awarded the following badges for camping out last summer to: Carol Frasier, Carol Hribar, Randy Jacobsen, Judy Heywood, Elizabeth Barker, and Linda Kersten. Five year pins were awarded to: Violet Hribar, Susan Yancey, and Mary Jo Mulhern. Co-leader Mrs. Grace Kersten, and committee members Mrs. Barbara Beese and Mrs. Jean Mueller received pins from Mrs. Hribar. Mrs. Joan Reed also on the committee, but not present, also received a pin.

ent, also received a pin. Color Guard for the program consisted of: Carol Hribar, Judy Heywood, Elizabeth Barker, and Susan Yancey. Violet Hribar gave the commands.

Refreshments of doughnuts and cider were served.

### BOY SCOUT TROOP 80 CAMPOUT

Last weekend some Grass Lake Boy Scouts enjoyed a campout at White Pines State Park in Oregon, Ill. Boys who attended were: Explorer Scouts Bob Hart, Les Hribar, and George Anzinger. Boy Scouts: John Burke, Joey Anzinger, and Tommy Anderson. The four Scouters who accompanied the boys were Mr. Lester Hribar, Mr. Robert Hart, Mr. Herb Meyer, and Mr. Willard Ratz, Scoutmaster for Troop 80. They all reported having a good time and the weather was overcast but not rainy.

### DEN CHIEFS' CONFERENCE

Mr. Earl Beese, Cubmaster for Pack 80, Grass Lake, and three boys from Boy Scout Troop 80, who are den chiefs with the cub pack, attended the annual Den Chiefs' Conference at Ft. Sheridan on Saturday, Nov. 15. The boys learned many games and new ideas for assisting the den mothers in their work.

### Antioch Man Ends Leadership Program

George F. Fahlke, a staff manager in the Prudential Insurance Company's Waukegan district, has completed the company's 1958 Staff Managers Leadership Program.

Fahlke, who lives at Rt. 4, Box 437, Antioch, is one of 43 Prudential representatives from Illinois and Indiana who attended the program, which convened during the week of Nov. 10 at the Mid-American Home Office in Chicago.

# Thanksgiving Day

To some it means being thankful for a family, a home... for life. To others it means being thankful for a good year — a good harvest or good business. But to all it means being thankful for an abundance of quality food — the turkey, cranberries, mashed and sweet potatoes, pumpkin pie and everything else that usually makes Thanksgiving dinner the best dinner of the year. And we at the IGA are thankful, too. Why? Because we can bring quality food to you at a real saving. You ought to drop in... see for yourself.

## Hard To Get Thanksgiving Accepted; Even First Pilgrims Didn't Want It

The Pilgrims would have been shocked to their shoe buckles on December 13, 1621, if they had known that their day of thanks was to become a yearly national holiday celebrated by millions of people in the United States and Canada.

For the Pilgrims were dead-set against "annual" holidays, and refused to celebrate even Christmas and Easter.

According to research experts with The World Book Encyclopedia, the Pilgrims referred to the religious holidays of the Church of England as "Roman corruptions." They believed in celebrating only when Providence granted them a particular blessing.

As if to prove their disdain for yearly calendar-fixed celebrations, the Pilgrims did not have a thanksgiving celebration the next year. However, other New England colonists picked up the idea and held "thanks days," usually around the end of November.

The Pilgrim-inspired holiday is today a joyous family day celebrated with big dinners and happy reunions, but the history of the holiday in the United States has been fraught with argument.

In 1789 a resolution was presented by a member of the new Congress proposing that a day be set aside to give thanks for the Constitution. The resolution was finally adopted, but there was much opposition by those who believed the Federal government was meddling in a matter that should be the concern of the individual states. Thomas Jefferson called such Government-proclaimed holidays a "Monarchical practice" and ignored thanksgiving during his eight years in office.

Mrs. Sarah Hale, editor of Godey's Lady's Book, worked for 30 years to promote the idea of a national thanksgiving day. Mrs. Hale had a double-barreled attack—she printed editorials promoting the idea and also included tempting recipes for Thanksgiving delicacies.

In 1863 Lincoln proclaimed that the last Thursday in November would be Thanksgiving Day. Each year afterward, the President of the United States formally proclaimed that Thanksgiving should be celebrated on the last Thursday of November.

However, some descendants of the original New England Puritans refused to observe the holiday, claiming that Thanksgiving should be inspired by the Deity, not by politicians.

The most recent Thanksgiving controversy arose when Franklin D. Roosevelt switched the date of the holiday from the fourth to the third Thursday in November. He hoped to help business by making the shopping period longer between Thanksgiving and Christmas.

Newspapers and magazines carried editorials advising readers to ignore the President and some Governors flatly advised their states to celebrate Thanksgiving on the traditional day. Three years after the change was made, Congress officially restored Thanksgiving to the fourth Thursday.

In view of this stormy history, it might be well to have a thanksgiving to give thanks for Thanksgiving.

### Lake Villa

Mrs. Fred Bartlett, Correspondent  
Phone Elliot 6-4454

Mr. and Mrs. Ed Schwitzer of Chicago have moved to Lake Villa. They will reside on Villa Ave. Mrs. Schwitzer was formerly Mrs. Mazie Dibble of Lake Villa.

Mrs. Bernard Schneider and sons, Bradley, Bruce and Brian and Mrs. Fred Bartlett, Sr., and grand-daughter, Carla were visitors Monday at the home of Mr. and Mrs. Raymond Bartlett of Waukegan.

Mr. and Mrs. Theodore Koshnick, recently of Maywood but now residing with Mr. and Mrs. Charles Treder of Oak Knoll Drive, celebrated their 58th wedding anniversary Nov. 11 with their daughter Mrs. Treder and her husband, Charles. Their relatives, friends and neighbors hope they have many more happy years together.

Georgia Avery was honored at a party Tuesday at the Lake Villa village hall given by the Royal Neighbors of Cedar Lake Camp in observance of her 50th wedding anniversary. The Camp presented her with a gold plate. She received many other gifts from the Neighbors.

Walter Schneider, Sr., was a patient at Victory Memorial hospital a few days last week.

Danny Slazes was ill with flu at his home.

The Officers club of the Royal Neighbors of Cedar Lake camp will meet Wednesday, Nov. 19 at 12:30 p. m. at the home of Georgia Avery. Dessert luncheon will be served by the hostess Mrs. Avery and co-hostess Marie Hamlin.

VFW Department Hospital chairman Kay Kasting, co-chairman Doris Blumenschein and the following VFW Auxiliary members spent Armistice Day at Downey distributing cigarettes to the patients. They are Arlene Barnstable, Zelma Nickerson and June Kneifl, all of Lake Villa, Jeanette Keisler, Helen Keisler and Lillian Gray, all of Antioch.

Little Larry Armstrong is ill at his home with the flu.

Fred Bartlett, Jr., and Carla Bart-

lett were ill a few days with the flu. Mr. and Mrs. Stanley Hollis of Waukegan were visitors Saturday at the home of Mr. and Mrs. Ralph Abner.

Mr. and Mrs. Jake Wallace are spending a week at Lake Nancy, Wisconsin.

Mr. and Mrs. William Fish entertained a number of friends at a party at their home on Millburn Road Saturday evening. The following were present: Mr. and Mrs. Clarence Blumenschein, Ann Nelson, Lela Barnstable, Mr. and Mrs. Jacob Fish, and Frank Cremin, all of Lake Villa, Edna Cable and Sheridan Burnette of Antioch and Mr. and Mrs. Herman Keisler of Twin Lakes, Wis.

Mr. and Mrs. Russell Nickerson were honored at a party Friday night given by the Lake Villa Firemen in honor of their 25th wedding anniversary. The firemen's wives also were present. The Nickersons were presented with a beautiful silver set. About sixty attended the party.

Mr. and Mrs. David Ketring and family will move into the cottage owned by Mr. and Mrs. Fred Bartlett, Sr.

Mrs. Fred Popp, Sr., is ill at her home on Villa Ave.

Mr. and Mrs. Ralph Abner and son, Terry, returned from a vacation at Benson, Minnesota.

Mr. and Mrs. Leonard Armstrong returned from a month's vacation. They visited the following places: Bad Lands and Black Hills in South Dakota, Yellowstone Park at Wyoming, went through snow in the Big Horn Mountains, Red Woods and Na-

## East-West Tollway Unit Opens Friday

At 6 p. m. tomorrow night the entire 28-mile East-West Tollway will be opened to the public, just 18 months after the start of construction.

The East-West Tollway at its west end connects directly with Route 30 west of Aurora and at the east end with the Congress Street Expressway to First Avenue in Maywood. Thus 35 miles of continuous expressway travel will be available to the public on November 21.

The opening brings the total of the Illinois Tollway now open to traffic to 149 miles. This includes the 76-mile Northwest Tollway from O'Hare Airport to South Beloit and 38 miles of the Tri-State Tollway from Golf Road (Rt. 58) north to the Wisconsin line, including a direct connection with Edens Expressway at the Lake-Cook county line. The balance of the 187-mile tollway system will be opened by the end of the year.

"How badly a Congressman's political fence needs mending depends on how much he straddled it," Warsaw Bulletin.

## HANDS

I love a hand that meets my own with a grasp that causes some sensation.—F. S. Osgood.

A hand that has been short in rendering services to others should not be stretched out in quest of high places.—J. L. Burckhardt.

Pride and fear are unfit to bear the standard of Truth, and God will never place it in such hands.—Mary Baker Eddy.

Other parts of the body assist the speaker, but the hands speak themselves.—Quintilian.

Give me the hand that is honest and hearty,  
Free as the breeze and unshackled by party.

—James Montgomery

Illinois now employs more than 63,000 teachers. Assuming that the birth rate, class size and curriculums remain the same, the schools of the state will need approximately 83,000 teachers by 1975.

(Written for week of Nov. 13)  
The 69th annual chicken dinner and bazaar sponsored by the Ladies' Aid last Friday was very successful. The Fun-Nite for this Thursday evening has been postponed until next week.

The Study Group will meet Thursday morning, Nov. 13, at 9 a. m. at the home of Mrs. Verlon Groves at Druce Lake.

Rev. and Mrs. L. H. Messersmith left Sunday for Farnum, Nebr. They plan to be back the latter part of the week. The trip was made because of the condition of Mrs. Messersmith's mother, Mrs. Ora Davis.

Mr. and Mrs. Frank Hauser spent the week-end with Mr. and Mrs. Raymond Hauser at Menominee, Mich.

Mrs. Leo Stanczak and Mrs. William Burke of Waukegan called at the home of Mrs. Lyman Bonner a week ago Thursday.

Mrs. Harley Clark & sons, John, Glenn and Bob were supper guests of Mr. and Mrs. Walter Fontaine.

of Gurnee Sunday evening.

Mrs. William Paulsen and children spent Tuesday with Mrs. Paulsen's sister, Mrs. Edward Bliss of Bellewood.

Mrs. Jacob Kalut and Mrs. Frank Edwards were Sunday supper guests at the John Edwards home in Libertyville.

Mr. Ira Beebe of Attica, Ind., spent Saturday at the home of Mrs. Harley Clark.

Miss Judy Paulsen of Evanston Hospital spent a few days with her parents, Mr. and Mrs. William Paulsen.

Phillip McDonald and son of Rock-

ford spent Saturday with his father, A. B. McDonald.

Mrs. Florence Welch of Gurnee was a caller at the home of Mr. and Mrs. Charles Lucas Monday.

Mr. and Mrs. Charles Lucas and Joseph Strohal called on Mrs. Addie Lucas of Wadsworth Saturday afternoon.

Seventeen members and visitors of the Men's Club enjoyed a very interesting and educational tour of the Public Service plant at Waukegan Monday evening. Refreshments were served after the tour at the home of Mr. and Mrs. Don Truax assisted by Mrs. William Paulsen.

Shocked at big thirst of other '59s? Get the proven economy champ

**Rambler**  
more economical than  
ever for '59!

Now that you've seen the '59 cars, you know there's only one buy in the low-price field—RAMBLER. You save when you buy. And new advanced carburetion gives you even greater gas economy. Get the best of both: big car room, small car economy. Go Rambler '59.

New 100-inch wheelbase RAMBLER AMERICAN STATION WAGON

America's lowest-priced station wagon. \$500 less than other leading low-priced wagons. Full family room. Top gasoline economy. The car that's here by popular demand.

VILLAGE RAMBLER — 362 Depot Street — Antioch, Ill.

## What does modern electric heating have to offer the new home buyer?

If you are buying or building a new home, these facts will explain why the most luxurious heat of all is well worth a few extra dollars a month

### Q. Is electric heating clean?

A. It's just as clean as electric light! You see, it uses no fuel—there's nothing to burn, no open flames. And with nothing burning, there's no smoke or soot to create dirt.

### Q. Does it make any noise?

A. Radiant Electric Heating is absolutely silent. There are no moving parts, nothing running. No furnace noise.

### Q. How about comfort control?

A. Radiant Electric Heating doesn't compromise on comfort. Separate thermostats in each room let you choose the exact degree of heat you need. You can keep the bathroom at 80°, while the living room is 72°, and the bedrooms are set for perfect sleeping comfort at an even 65°.

### Q. Is electric heating complicated to operate?

A. It's as easy as tuning your radio. All you do is set the thermostats to the temperature you want. Radiant Electric Heating does the rest, automatically.

### Q. How does it feel?

A. It's a deep-down penetrating warmth that feels just like the sun! You see, Radiant Electric Heating warms objects in the room directly.

### Q. What does it look like?

A. Radiant Electric Heating is available in various forms. It can be a compact baseboard installed along the base of exterior walls and painted to match the room. It can be embedded in the floor or ceiling (only the wall thermostat is visible). Or it can consist of radiant glass panels, installed in the walls.

### Q. How much do I pay for a Radiant Electric Heating System?

A. In the majority of cases, a Radiant Electric Heating system will cost less to install than conventional flame-type systems. Of course, insulation and storm doors and windows are a necessary part of any Electrically Heated Home (Commonwealth Edison does not recom-

mend electric heating for a home without them). But you need no chimney, no hot water pipes or radiators, no furnace, no fuel storage space. And Radiant Electric Heating takes no usable floor space.

### Q. How about upkeep?

A. With modern Radiant Electric Heating there are no moving parts, nothing to get out of order. Nothing to adjust, nothing to clean. As a result, the upkeep is just a fraction of what you'd pay to keep a conventional heating system in operation.

### Q. Want air conditioning, too?

A. If you want both electric heating and air conditioning in one unit, you'll want the wonderful new Heat Pump that both heats and cools electrically. With this all-electric air conditioning system, the air in your home is warmed or cooled to the exact temperature you select, filtered clean, gently and quietly circulated to every room. The Heat Pump is a compact unit that can be installed in the basement or crawl space to deliver fully conditioned air through ductwork to every room in your home. And just as with Radiant Electric Heating, there are no flames, no fumes—nothing to disturb your absolute peace of mind!

### Q. What happens if the electricity goes off?

A. If the electricity ever did go off,

the electric heating would go off, too. But so would every other kind of automatic heating. Even fuel-type heating systems depend upon electricity for operation.

### Q. Is it safe?

A. It's fully as safe as the electric light you're reading this by. With electric heating in your home you'll enjoy a wonderful new peace of mind. There's nothing to escape, drip, leak, smell or boil over.

### Q. What's this I hear about a special electric heating rate?

A. Recently, Commonwealth Edison and Public Service Company put into effect a new electric heating rate that cuts the cost of heating with electricity about 30%. This new rate, together with new developments in heating equipment and better standards of home insulation, puts electric heating well within the means of most new home buyers. As a result, new electric heating has been specified for more than 900 homes and apartments.

### Q. How much does it cost to operate?

A. Operating costs of electric heating obviously will vary according to the size and type of home and family living habits. Commonwealth Edison and Public Service Company, or your home builder, will be glad to provide electric heating estimates based on the specifications of the home you plan to build or buy.

### Q. Where can I learn more about electric heating?

A. You can get more information by phoning your nearest Commonwealth Edison or Public Service Company office. Or you can see new Electrically Heated Homes now being featured by progressive builders in the Chicago area.

Remember, electric heating is available now! There's no waiting list and no permits are needed! So if a new home is on the horizon for you, look into the modern miracle of electric heating. After all, doesn't it make sense to get the advanced heating in your new home that you've always hoped would be available someday?

## Hoover Report Cites Citizens For Govt. Interest

The Taxpayers' Federation of Illinois today issued the final bulletin of its Hoover Report Division, the agency promoting citizen support of the recommendations of the Second Hoover Commission on reorganization of the federal government.

Action by over 15,000 Illinois citizens in supporting these measures was cited by the federation, who praised them for their interest in "better government at a better price," and reminded them they hoped for their further cooperation in the federation's continuing campaign to control unnecessary spending of federal funds, and for further adoption of these proposals.

In pointing up the fact that 64% of the Second Hoover Commission's Recommendations had been adopted, the publication called special attention to the passage of the Modernized Budgeting and Defense Unification measures, the major Hoover Report accomplishments in this last Congressional session.

The economy theme of the "Achievement Report" was that an investment of over \$8 million dollars by the Federal government and the national Citizens Committee for the Hoover Report created savings of \$10 billion in the Federal government because of the \$7 billion saved by the First Hoover Report and the \$3 billion annual savings of the Second Hoover Report. In other words, they noted, an investment of \$1 produced savings of \$1,250 in return, and they called attention to the fact that without these savings our tremendous national debt would be increased or we would be paying higher Federal tax.

In the conclusion of the brochure, Maurice W. Scott, Federation Executive Secretary, said, "Our organization is proud that we expanded our activities to include the work of the Hoover Report Division and took real pleasure in promoting citizen action for adoption of the Hoover Commission Recommendations throughout this state."

## Trevor News

(Mrs. Grace Miller, Correspondent)  
Tel. Underhill 2-3059

Lester Minshal, the agent at the Trevor depot suffered a heart attack and Donald Wiegert from Valders, Wis., is relieving him.

Mrs. Nel Runyard and son, Wilson, were Friday evening callers on Stanley Runyard, Waukegan, and Tuesday evening callers on Mrs. Bell Barhyte, at Klondike, Wis.

Jim McAnsh of Chicago spent the week-end with his aunt, Mrs. Nel Runyard.

Mrs. Alvin Moran and Mrs. Alvin Pagel motored to Forest Park on Tuesday and spent the day at the Louie Oswald home visiting with Mrs. Frank Andree, nee Katherine Schreck, of Riverside, California.

All Wisconsin schools were closed on Thursday and Friday so that the teachers could attend the state convention at Milwaukee.

Mrs. Howard Schultz entertained on Saturday afternoon to celebrate her daughter Joan's first birthday. Mrs. Pauline Harris and friend from Chicago visited at her brother's—the Alan Copper family.

Mrs. Dowd from Madison was a guest at the George Wilen home four days the past week.

Mrs. Arthur May and daughter, Virginia, Madison, were week-end guests at the Chas. Oetting home.

The infant son of Mr. and Mrs. Lee Barhyte, Jr., was christened at the Antioch Methodist church on Sun-

## Court Rules Against Charging High Memorial Fees

Two cemeteries are charging exorbitant fees for installation of memorial markers, a DuPage county Circuit court suit maintains. Chapel Hill Cemeteries, West and South, "are taking unfair advantage of grieving survivors," claims the suit filed November 3 by two lot owners, Mrs. Peter Buchikas, 107 South Charlotte, Lombard, and Elmer P. Sievert, 1232 North Eagle, Naperville.

Mrs. Buchikas and Sievert in their joint suit claim Chapel Hills West charges \$50 to \$165 more than the competitive market price for bronze markers. They maintain that this is done by charging lot owners \$85 for installation of a single marker and \$135 for installation of a double marker when markers are not purchased from the cemetery.

Other cemeteries in the area, the plaintiffs say, charge \$17 to \$25 for a costlier type of installation.

Both Mr. Buchikas and Sievert say they were approached by the cemetery a few days after burial of their respective loved ones regarding purchase of a bronze marker. Before placing an order, they investigated prices at Peter Troost Monument company, 4300 Roosevelt road, Hillside, and found that a bronze marker of an equal or superior quality to those sold at Chapel Hills West and South could be purchased at about half the price.

For many years Chapel Hills West cemetery permitted only bronze markers manufactured by James H. Matthews & Co. of Pittsburgh, Pa., which in turn sells only to cemeteries. This practice was investigated by the federal government and on March 21, 1958, the Matthews company was indicted in U. S. District court of Pennsylvania for monopolistic practices in interstate trade dating back to 1949.

Since the indictment Chapel Hills West permits other manufacturers' markers but, according to the DuPage county suit, the cemetery now penalizes lot owners by the excessive fees.

The plaintiffs claim that of the few cemeteries in the Chicago area selling markers, Chapel Hills is the only one with such exorbitant prices. As a result many lot owners refuse to erect a marker of any type on graves of their loved ones, they say.

day. Sponsors were Miss Glenna Eckart and Howard Schultz.

Willis Sheen fell from the hay-mow on Friday morning and is in the Kenosha hospital.

Mrs. Franklin Swanson, Madison, Wis., is spending a few days with her mother, Mrs. Grace Miller.

"It's been observed that the only meeting that ever started on time was held up for an hour while things were explained to people who came in late and didn't know what was going on."—The Ava Citizen.

## Predicts 'Amazing' Changes Soon In Grocery Shopping

You are going to see some amazing changes in supermarkets and greater emphasis on smaller grocery stores in the future, forecast the editors of Changing Times, the Kiplinger Magazine.

All sorts of technical innovations to make your shopping easier are now in use or in the planning stage. There is a machine that bags your purchases. Specially designed racks replace packaged goods when an item is removed. A unique device automatically carries away bottle empties and gives you a receipt for them. The latest in cash registers shows how much change is due you.

Within another ten years, you may be able to shop by punch cards, where electronic machines select and collect your groceries. You won't have to push that grocery cart—it will be motorized. You'll step on a moving sidewalk once out of your car, and be whisked right to the store door. Automatic check-out counters will add up your bill, pack your groceries and deliver your change—all without human guidance.

Even while merchants blueprint bigger and bigger supermarkets, other enterprising operators are proving there's plenty of room for relatively small groceries, space-age version. You'll find these stores easy to shop in. You can usually drive right up to the edge of the store and park. You can shop fast since the stores concentrate on the

fast-moving staples, vegetables and meats. They are open late and on Sundays. They are intended as a place where you can pick up a few items, not a whole week's food purchase.

You'll be able to satisfy that 2 a.m. yen for strawberries in the near future, when all-night selling of more than milk products by vending machines gets underway. Already some stores have banks of vending machines outside their doors with over 100 products.

The American Foundation for the Blind estimates that we have in our nation about 8,500 blind children of pre-school age. Eventually about half of these will go to public schools, while the balance will attend special residential schools for the blind.
